## **Directors' Report**

### **30 June 2016**

The directors present their report, together with the consolidated financial statements of the Group, being the Company and its controlled entities, for the financial year ended 30 June 2016.

#### **1. General information**

##### **Information on directors**

The names of each person who has been a director during the year and to the date of this report are:

- Basile Papadimitriou
- David Alan Pinker
- Vincenzo Francesco Tesoriero

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

##### **Principal activities**

The principal activities of the Group during the financial year were providing software and hardware management, fleet, IT and environmental solutions.

No significant change in the nature of these activities occurred during the year.

#### **2. Operating results and review of operations for the year**

##### **Operating results**

The consolidated loss of the Group amounted to \$ (733,526) (2015: \$ (1,865,148)).

##### **Dividends paid or recommended**

No dividends were paid or declared since the start of the financial year. No recommendation for payment of dividends has been made.

#### **3. Other items**

##### **Significant changes in state of affairs**

There have been no significant changes in the state of affairs of entities in the Group during the year.

##### **Events after the reporting date**

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Group, the results of those operations or the state of affairs of the Group in future financial years.

##### **Future developments and results**

Likely developments in the operations of the Group and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Group.

**The Forum Group of Companies Pty Limited**  
**ABN 72 151 964 626**

## **Directors' Report**

**30 June 2016**

### **3. Other items**

#### **Environmental issues**

The Group's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a state or territory of Australia.

During the year ended 30 June 2016, the Group incurred a net loss of \$733,526 (2015: loss of \$1,865,148) during the financial year then ended. Notwithstanding this, the consolidated financial report has been prepared on the going concern basis. The continuing viability of the Group and its ability to continue as a going concern and meet its debts and commitments as and when they fall due are dependent upon the Group being successful in one or more of the following:

- the Group has received a guarantee of continuing financial support the directors/shareholders;
- renegotiation and continuation of the existing borrowings;
- continuation of business activity at the level of 2016 sales

The Directors are currently in negotiations with financiers to:

(a) extend the tenor of existing credit lines and see no reason why this support will not continue; and

(b) to increase the sources of vendor finance support which will assist business liquidity via more efficient settlement of sales transactions.

The Directors are of the opinion that continued funding will be secured through these means. The Financial Report has therefore been prepared on the basis of a going concern. This basis presumes that funds from the above sources will be available to finance future operations, and to repay liabilities and that the realisation of assets and settlement of liabilities will occur in the normal course of business.

Having carefully assessed the likelihood of securing additional funding and the Company's ability to effectively manage their expenditure and cash flows from operations, the Directors believe that the Company will continue to operate as a going concern for the foreseeable future and therefore consider it appropriate to prepare the financial statements on a going concern basis.

#### **Indemnification and insurance of officers and auditors**

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of The Forum Group of Companies Pty Limited.

#### **Auditor's independence declaration**

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the year ended 30 June 2016 has been received and can be found on page 3 of the consolidated financial report.

Signed in accordance with a resolution of the Board of Directors:

Director:

Basile Papadimitriou

Director:

David Alan Pinker

Dated this 14<sup>th</sup> day of December 2016

## AUDITOR'S INDEPENDENCE DECLARATION UNDER SECTION 307C OF THE CORPORATIONS ACT 2001

As lead auditor of The Forum Group of Companies Pty Limited for the year ended 30 June 2016, I declare that, to the best of my knowledge and belief, there have been:

- no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- no contraventions of any applicable code of professional conduct in relation to the audit.

This declaration is in respect of The Forum Group of Companies Pty Limited and the entities it controlled during the year.

## **Notes to the Financial Statements**

### **For the Year Ended 30 June 2016**

The consolidated financial report covers The Forum Group of Companies Pty Limited and its controlled entities ('the Group'). The Forum Group of Companies Pty Limited is a for-profit proprietary Company, incorporated and domiciled in Australia.

Each of the entities within the Group prepare their financial statements based on the currency of the primary economic environment in which the entity operates (functional currency). The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency.

Comparatives are consistent with prior years, unless otherwise stated.

#### **1 Basis of Preparation**

In the Directors opinion, the Company is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. This special purpose financial report has been prepared to meet the reporting requirements of the *Corporations Act 2001*.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 *Presentation of Financial Statements*, AASB 107 *Statement of Cash Flows*, AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and AASB 1054 *Australian Additional Disclosures*.

#### **2 Summary of Significant Accounting Policies**

##### **(a) Basis for consolidation**

The consolidated financial statements include the financial position and performance of controlled entities from the date on which control is obtained until the date that control is lost.

Intragroup assets, liabilities, equity, income, expenses and cashflows relating to transactions between entities in the consolidated entity have been eliminated in full for the purpose of these financial statements.

Appropriate adjustments have been made to a controlled entity's financial position, performance and cash flows where the accounting policies used by that entity were different from those adopted by the consolidated entity. All controlled entities have a June financial year end.

A list of controlled entities is contained in Note 24 to the financial statements.

##### **(b) Business combinations**

Business combinations are accounted for by applying the acquisition method which requires an acquiring entity to be identified in all cases. The acquisition date under this method is the date that the acquiring entity obtains control over the acquired entity.

The fair value of identifiable assets and liabilities acquired are recognised in the consolidated financial statements at the acquisition date.

Goodwill or a gain on bargain purchase may arise on the acquisition date, this is calculated by comparing the consideration transferred and the amount of non-controlling interest in the acquiree with the fair value of the net identifiable assets acquired. Where consideration is greater than the net assets acquired, the excess is recorded as goodwill. Where the net assets acquired are greater than the consideration, the measurement basis of the net assets are reassessed and then a gain from bargain purchase recognised in profit or loss.

All acquisition-related costs are recognised as expenses in the periods in which the costs are incurred except for costs to issue debt or equity securities.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (b) Business combinations continued

Any contingent consideration which forms part of the combination is recognised at fair value at the acquisition date. If the contingent consideration is classified as equity then it is not remeasured and the settlement is accounted for within equity. Otherwise subsequent changes in the value of the contingent consideration liability are measured through profit or loss.

##### (c) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Group and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

##### Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

##### Interest revenue

Interest is recognised using the effective interest method.

##### Rendering of services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

##### Other income

Other income is recognised on an accruals basis when the Group is entitled to it.

##### (d) Income Tax

The tax expense recognised in the consolidated statement of profit or loss and other comprehensive income comprises of current income tax expense plus deferred tax expense.

Current tax is the amount of income taxes payable (recoverable) in respect of the taxable profit (loss) for the year and is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates and laws that have been enacted or substantively enacted by the end of the reporting period. Current tax liabilities (assets) are measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (d) Income Tax continued

Deferred tax is provided on temporary differences which are determined by comparing the carrying amounts of tax bases of assets and liabilities to the carrying amounts in the consolidated financial statements.

Deferred tax is not provided for the following:

- The initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).
- Taxable temporary differences arising on the initial recognition of goodwill.
- Temporary differences related to investment in subsidiaries, associates and jointly controlled entities to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and losses can be utilised.

Current and deferred tax is recognised as income or an expense and included in profit or loss for the period except where the tax arises from a transaction which is recognised in other comprehensive income or equity, in which case the tax is recognised in other comprehensive income or equity respectively.

##### (e) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to entities in the Group, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term. Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

##### (f) Finance costs

Finance cost includes all interest-related expenses, other than those arising from financial assets at fair value through profit or loss.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (g) Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

##### (h) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the consolidated statement of financial position.

Cash flows in the consolidated statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

##### (i) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the consolidated statement of cash flows and are presented within current liabilities on the consolidated statement of financial position.

##### (j) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the costs necessary to make the sale. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (k) Financial Instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that the Group becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

##### *Financial Assets*

Financial assets are divided into the following categories which are described in detail below:

- loans and receivables;
- financial assets at fair value through profit or loss;
- available-for-sale financial assets; and
- held-to-maturity investments.

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument's category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or in other comprehensive income.

All income and expenses relating to financial assets are recognised in the consolidated statement of profit or loss and other comprehensive income in the 'finance income' or 'finance costs' line item respectively.

##### *Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The Group's trade and other receivables fall into this category of financial instruments.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

In some circumstances, the Group renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the Group does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (k) Financial instruments continued

###### *Financial assets at fair value through profit or loss*

Financial assets at fair value through profit or loss include financial assets:

- acquired principally for the purpose of selling in the near future
- designated by the entity to be carried at fair value through profit or loss upon initial recognition or
- which are derivatives not qualifying for hedge accounting.

The Group has some derivatives which are designated as financial assets at fair value through profit or loss.

Assets included within this category are carried in the consolidated statement of financial position at fair value with changes in fair value recognised in finance income or expenses in profit or loss.

Any gain or loss arising from derivative financial instruments is based on changes in fair value, which is determined by direct reference to active market transactions or using a valuation technique where no active market exists.

###### *Held-to-maturity investments*

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity. Investments are classified as held-to-maturity if it is the intention of the Group's management to hold them until maturity.

Held-to-maturity investments are subsequently measured at amortised cost using the effective interest method, with revenue recognised on an effective yield basis. In addition, if there is objective evidence that the investment has been impaired, the financial asset is measured at the present value of estimated cash flows. Any changes to the carrying amount of the investment are recognised in profit or loss.

###### *Available-for-sale financial assets*

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets or which have been designated in this category. The Group's available-for-sale financial assets comprise listed securities.

All available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss.

Losses recognised in the prior period consolidated statement of profit or loss and other comprehensive income resulting from the impairment of debt securities are reversed through the consolidated statement of profit or loss and other comprehensive income, if the subsequent increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (k) Financial instruments continued

###### *Financial liabilities*

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities depending on the purpose for which the liability was acquired. Although the Group uses derivative financial instruments in economic hedges of currency and interest rate risk, it does not hedge account for these transactions.

The Group's financial liabilities include borrowings, trade and other payables (including finance lease liabilities), which are measured at amortised cost using the effective interest rate method.

###### *Impairment of financial assets*

At the end of the reporting period the Group assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

###### *Financial assets at amortised cost*

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial assets original effective interest rate.

Impairment on loans and receivables is reduced through the use of an allowance accounts, all other impairment losses on financial assets at amortised cost are taken directly to the asset.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

###### *Available-for-sale financial assets*

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

##### (l) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

###### **Depreciation**

Property, plant and equipment, excluding freehold land, is depreciated on a mix of straight-line and reducing balance over the assets useful life to the Group, commencing when the asset is ready for use.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (l) Property, plant and equipment continued

The depreciation rates used for each class of depreciable asset are shown below:

<b>Fixed asset class</b>	<b>Depreciation rate</b>
Plant and Equipment	2.5% - 66.67%
Leased plant and equipment	33.33%
Furniture, Fixtures and Fittings	8% - 66.67%
Motor Vehicles	20% - 25%
Office Equipment	8% - 66.67%
Improvements	2.5% - 25%
Low Value Asset Pool	37.50%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

##### (m) Impairment of non-financial assets

At the end of each reporting period the Group determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (n) Intangibles

###### Goodwill

Goodwill is calculated as the excess of the sum of:

- i) the consideration transferred;
- ii) any non-controlling interest; and
- iii) the acquisition date fair value of any previously held equity interest;

over the acquisition date fair value of net identifiable assets acquired in a business combination.

The value of goodwill recognised on acquisition of each subsidiary in which the Group holds less than a 100% interest will depend on the method adopted in measuring the aforementioned non-controlling interest. The Group can elect to measure the non-controlling interest in the acquiree either at fair value ('full goodwill method') or at the non-controlling interest's proportionate share of the subsidiary's identifiable net assets ('proportionate interest method'). The Group determines which method to adopt for each acquisition.

Under the 'full goodwill method', the fair values of the non-controlling interests are determined using valuation techniques which make the maximum use of market information where available.

Refer to Note 12 for information on the goodwill policy adopted by the Group for each acquisition.

Goodwill on acquisitions of subsidiaries is included in intangible assets. Goodwill on acquisition of associates is included in investments in associates.

Goodwill is not amortised but is tested for impairment annually and is allocated to the Group's cash generating units or groups of cash generating units, which represent the lowest level at which goodwill is monitored but where such level is not larger than an operating segment. Gains and losses on the disposal of an entity include the carrying amount of goodwill related to the entity sold.

Changes in the ownership interests in a subsidiary are accounted for as equity transactions and do not affect the carrying values of goodwill.

###### Amortisation

Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of intangible assets, other than goodwill, from the date that they are available for use.

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

##### (o) Employee benefits

Provision is made for the Group's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

For the Year Ended 30 June 2016

### 2 Summary of Significant Accounting Policies continued

#### (o) Employee benefits continued

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

#### (p) Provisions

Provisions are recognised when the Group has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured at the present value of management's best estimate of the outflow required to settle the obligation at the end of the reporting period. The discount rate used is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the unwinding of the discount is taken to finance costs in the consolidated statement of profit or loss and other comprehensive income.

#### (q) Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares and share options which vest immediately are recognised as a deduction from equity, net of any tax effects.

#### (r) Going concern

During the year ended 30 June 2016, the Group incurred a net loss of \$733,526 (2015: loss of \$1,865,148) during the financial year then ended. Notwithstanding this, the consolidated financial report has been prepared on the going concern basis. The continuing viability of the Group and its ability to continue as a going concern and meet its debts and commitments as and when they fall due are dependent upon the Group being successful in one or more of the following:

- the Group has received a guarantee of continuing financial support the directors/shareholders;
- renegotiation and continuation of the existing borrowings;
- continuation of business activity at the level of 2016 sales

The Directors are currently in negotiations with financiers to:

(a) extend the tenor of existing credit lines and see no reason why this support will not continue; and

(b) to increase the sources of vendor finance support which will assist business liquidity via more efficient settlement of sales transactions.

The Directors are of the opinion that continued funding will be secured through these means. The Financial Report has therefore been prepared on the basis of a going concern. This basis presumes that funds from the above sources will be available to finance future operations, and to repay liabilities and that the realisation of assets and settlement of liabilities will occur in the normal course of business.

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 2 Summary of Significant Accounting Policies continued

##### (r) Going concern continued

Having carefully assessed the likelihood of securing additional funding and the Company's ability to effectively manage their expenditure and cash flows from operations, the Directors believe that the Company will continue to operate as a going concern for the foreseeable future and therefore consider it appropriate to prepare the financial statements on a going concern basis.

##### (s) New Accounting Standards and Interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Group has decided not to early adopt these Standards. The following table summarises those future requirements, and their impact on the Group where the standard is relevant:

Standard Name	Effective date for entity	Requirements	Impact
AASB 15 Revenue from Contracts with Customers	1 January 2018	This standard will replace AASB 118 which covers revenue arising from the sale of goods and the rendering of services and AASB 111 which covers construction contracts. The new standard is based on the principle that revenue is recognised when control of a good or service transfers to a customer.	The impact of AASB 15 has not yet been determined as the entire standard has not been released.
AASB 16 Leases	1 January 2019	AASB 16 replaces AASB 117 Leases and some lease-related interpretations - requires all leases to be accounted for 'on-balance sheet' by lessees, other than short-term and low value asset leases - provides new guidance on the application of the definition of lease and on sale and lease back accounting - largely retains the existing lessor accounting requirements in AASB 117 - requires new and different disclosures about leases	Management is currently assessing the impact of applying AASB 16.

#### 3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these Consolidated financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

For the Year Ended 30 June 2016

### 3 Critical Accounting Estimates and Judgments continued

#### Key estimates - impairment of property, plant and equipment

The Group assesses impairment at the end of each reporting period by evaluating conditions specific to the Group that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

#### Key estimates - fair value of financial instruments

The Group has certain financial assets and liabilities which are measured at fair value. Where fair value has not able to be determined based on quoted price, a valuation model has been used. The inputs to these models are observable, where possible, however these techniques involve significant estimates and therefore fair value of the instruments could be affected by changes in these assumptions and inputs.

#### Key estimates - revenue recognition - long term contracts

The Group undertakes long term contracts which span a number of reporting periods. Recognition of revenue in relation to these contracts involves estimation of future costs of completing the contract and the expected outcome of the contract. The assumptions are based on the information available to management at the reporting date, however future changes or additional information may mean the expected revenue recognition pattern has to be amended.

#### Key estimates - provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

#### Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 4 Revenue and Other Income

##### Revenue from continuing operations

	Consolidated	
	2016	2015
	\$	\$
Sales revenue		
- sale of goods	50,456,661	32,907,874

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 7 Cash and Cash Equivalents

	Consolidated	
	2016	2015
	\$	\$
Cash on hand	605	605
Cash at Bank	2,600,091	2,199,423
	<u>2,600,696</u>	<u>2,200,028</u>

#### Reconciliation of cash

Cash and Cash equivalents reported in the consolidated statement of cash flows are reconciled to the equivalent items in the consolidated statement of financial position as follows:

	Consolidated	
	2016	2015
	\$	\$
Cash and cash equivalents	2,600,696	2,200,028

#### 8 Trade and Other Receivables

	Consolidated	
	2016	2015
	\$	\$
CURRENT		
Trade receivables	6,857,470	4,107,807
Provision for Doubtful Debts	(1,100,000)	(657,866)
Other debtors	61,839	34,414
Related party receivable	295,904	-
<b>Total current trade and other receivables</b>	<u>6,115,213</u>	<u>3,484,355</u>

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 17 Issued Capital

	Consolidated	
	2016	2015
	\$	\$
15,264,142 (2015: 14,771,803) Ordinary shares	<b>19,588,270</b>	<b>18,646,087</b>

##### (a) Ordinary shares

The holders of ordinary shares are entitled to participate in dividends and the proceeds on winding up of the Company. On a show of hands at meetings of the Company, each holder of ordinary shares has one vote in person or by proxy, and upon a poll each share is entitled to one vote.

The Company does not have authorised capital or par value in respect of its shares.

#### 18 Capital and Leasing Commitments

##### (a) Finance Leases

	Consolidated	
	2016	2015
	\$	\$
Minimum lease payments:		
- not later than one year	<b>225,974</b>	104,514
- between one year and five years	<b>577,604</b>	199,380
Minimum lease payments	<b>803,578</b>	303,894
Present value of minimum lease payments	<b>803,578</b>	303,894

##### (b) Operating Leases

	Consolidated	
	2016	2015
	\$	\$
Minimum lease payments under non-cancellable operating leases:		
- not later than one year	<b>1,094,785</b>	781,592
- between one year and five years	<b>2,182,009</b>	1,260,266
	<b>3,276,794</b>	2,041,858

Operating leases have been taken out for the rental of premises. Lease payments are increased on an annual basis to reflect market rentals.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 19 Capital Management

Management controls the capital of the Group in order to maintain a sustainable debt to equity ratio, generate long-term shareholder value and ensure that the company can fund its operations and continue as a going concern.

The Group's debt and capital includes ordinary share capital, and financial liabilities, supported by financial assets.

There are no externally imposed capital requirements.

Management effectively manage the Group capital by assessing the Group's financial risks and adjusting its capital structure in response to changes in these risks and in the market. These responses include the management of debt levels, distributions to shareholders and share issues.

There have been no changes in the strategy adopted by management to control the capital of the Group since incorporation.

The gearing ratio for the year ended 30 June 2016 and June 30, 2015 are as follows:

		Consolidated	
		2016	2015
		\$	\$
Total Borrowings	15	4,609,170	2,208,726
Less Cash and cash equivalents	7	(2,600,696)	(2,200,028)
Net debt		2,008,474	8,698
Equity		13,913,055	14,614,398
Total capital		15,921,529	14,623,096
Gearing ratio		13.00%	-%

#### 20 Tax Assets

##### Recognised tax assets and liabilities

		Consolidated	
		2016	2015
		\$	\$
Provision for income tax		439,247	-
Deferred tax assets		899,995	592,905
		1,339,232	592,905

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 21 Dividends

Franked dividends declared or paid during the year were franked at the tax rate of 30%.

No final dividend for 2016 was declared after the end of the reporting period.

##### Franking account

	Consolidated	
	2016	2015
	\$	\$
The franking credits available for subsequent financial years at a tax rate of 30%	808,408	792,184

The above available balance is based on the dividend franking account at year-end adjusted for:

- (a) Franking credits that will arise from the payment of the current tax liabilities;
- (a) Franking debits that will arise from the payment of dividends recognised as a liability at the year end;
- (b) Franking credits that will arise from the receipt of dividends recognised as receivables at the end of the year.

The ability to use the franking credits is dependent upon the Company's future ability to declare dividends.

#### 22 Key Management Personnel Disclosures

Key management personnel remuneration included within employee expenses for the year is shown below:

	2016	2015
	\$	\$
Short-term employee benefits	2,117,497	2,231,915
Post-employment benefits	201,162	170,480
	<u>2,318,659</u>	<u>2,402,395</u>

#### 23 Auditors' Remuneration

	Consolidated	
	2016	2015
	\$	\$
Remuneration of the auditor, Rothsay Chartered Accountants, for:		
- auditing or reviewing the financial statements	131,883	100,000
- other services	142,597	254,367
<b>Total</b>	<u>274,480</u>	<u>354,367</u>

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 24 Interests in Subsidiaries

##### (a) Composition of the Group

	Principal place of business / Country of Incorporation	Percentage Owned (%)*	Percentage Owned (%)*

#### 29 Parent entity

The following information has been extracted from the books and records of the parent, The Forum Group of Companies Pty Limited and has been prepared in accordance with Accounting Standards.

The financial information for the parent entity, The Forum Group of Companies Pty Limited has been prepared on the same basis as the consolidated financial statements except as disclosed below.

##### *Investments in subsidiaries, associates and joint ventures*

Investments in subsidiaries, associates and joint venture entities are accounted for at cost in the consolidated financial statements of the parent entity. Dividends received from associates are recognised in the parent entity profit or loss, rather than being deducted from the carrying amount of these investments.

The Forum Group of Companies Pty Limited  
ABN 72 151 964 626

## Notes to the Financial Statements

### For the Year Ended 30 June 2016

#### 29 Parent entity continued

##### *Tax consolidation legislation*

The Forum Group of Companies Pty Limited and its wholly-owned Australian subsidiaries have formed an income tax consolidated group.

Each entity in the tax consolidated group accounts for their own current and deferred tax amounts. These tax amounts are measured using the 'stand-alone taxpayer' approach to allocation.

Current tax liabilities (assets) and deferred tax assets arising from unused tax losses and tax credits in the subsidiaries are immediately transferred to the parent entity.

The tax consolidated group has entered into a tax funding agreement whereby each entity within the group contributes to the income tax payable by the Group in proportion to their contribution to the Group's taxable income. Differences between the amounts of net tax assets and liabilities derecognised and the net amounts recognised pursuant to the funding agreement are recognised as either a contribution by, or distribution to the head entity.

## **Directors' Declaration**

The directors have determined that the Company is not a reporting entity and that this special purpose consolidated financial report should be prepared in accordance with the accounting policies described in Note 2 to the consolidated financial statements.

The directors of the Company declare that:

1. The consolidated financial statements and notes, as set out on pages 4 to 37, are in accordance with the *Corporations Act 2001* and:
  - (a) comply with Accounting Standards as stated in Note 2 and the Corporations Regulations 2001; and
  - (b) give a true and fair view of the Company's financial position as at 30 June 2016 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 2 to the consolidated financial statements.
2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director .....

Basile Papadimitriou

Director .....

David Alan Pinker

## INDEPENDENT AUDITOR'S REPORT

To the members of The Forum Group of Companies Pty Limited

### Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report of The Forum Group of Companies Pty Limited, which comprises the consolidated statement of financial position as at 30 June 2016 the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the year's end or from time to time during the financial year.

### Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of The Forum Group of Companies Pty Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

## Opinion

In our opinion the financial report of The Forum Group of Companies Pty Limited is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the consolidated entity's financial position as at 30 June 2016 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1, and the *Corporations Regulations 2001*.

## Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.
