Extract: [9:18]-[10:27]

- 5        S:        ...Now I'm going to talk to you about something that I haven't seen in the press. That I'm a  
                  hypnosis practitioner and I've been doing hypnosis for 30 years and helping people to – to  
                  hypnotise others. And I know about language, and I know that this is based on something we call  
                  the big lie. Do you know the big lie? The big lie was first described by Adolf Hitler in Mein Kampf.  
10        S:        The big lie is such a big lie that ordinary people like us think, well that can't be a lie because I'd  
                  never tell any bigger – as big a lie as that. We only lie in small ways. The big lie, well there is one  
                  big lie going on and it was begun by men in the early part of the 20th century. It was began when  
                  they had an erotic fantasy, and they decided they were gonna sell us the big lie and what is the  
                  big lie? The big lie is trans women are–
- C:        Women
- 15        S:        –but they're not, are they? They're men and we know that.
