

**Transcript of Kellie-Jay Keen and Unidentified male at Let Women Speak USA – Miami – 6
November 2022 (Court Book Part C, Tab 92)**

Parties: Kellie-Jay Keen (KK), Unidentified female (UF), Unidentified male (UM)

Extract: [01:02:57]-[01:05:00]

- 5 KK: Any more women?
UF: Any women, any women?
KK: [?] now it's your turn.
UF: You've waited long enough.
KK: Yeah, well done. Thank you for your patience.
- 10 UM: Excited. Excited.
UF: Thanks for being here for the women.
KK: Yeah, thank you.
- 15 UM: Yeah, I just want to say welcome to Miami first of all [?] and welcome to the deep, deep, we're in
the middle of a twilight zone so we're all here together to fight the same battle. I'm a local GOP
committee man for this area and it is about coming together. This is something that shouldn't be
tolerated at any point in society, at any point in human history. This is an act that is destroying
innocent lives, destroying families and they're just getting started. If they have it their way, it leads
20 into paedophilia, it leads into just kids resenting what – these decisions for the rest of their lives,
destroying innocent lives. It's something that's satanic and – and both sides need to come
together to stop this. So, I want to thank everyone for coming out here today and this is what it
takes. Show up at your school board, they're getting gender – gender ideology, gender therapists
to convince children, these kids are coerced into to – to these ideas, telling them that it's going to
make them feel a certain way and they're encouraged to, to, you know, go under the knife to,
25 thinking that it's gonna solve some, some internal issue that they don't know how to deal with.
They're being misled, misguided and this is what it takes, people coming out to the streets, people
going to the school board, people getting involved with their parties locally and stopping this. If it
doesn't stop now it's going to destroy tens of thousands of lives and – and these people are still
gonna go home at night, sleep like a baby and not worry about these atrocities that they've
committed. So, thank you everyone again and God bless.
