Yes you need to think about what you say. You can't be angry today. You need to be very calm and almost relaxed about it. We can't be drawn into a tit for tat with Renee. But we do need to portray that group as fringe and wreckers while we are getting on with the job. I'd also like to see what Andrews says so you can respond to him with a line like: "It's a bit rich for Daniel Andrews to accuse somebody of bullying"

I think a string of MPs starting with non-leadership figures like Sam Groth will be very powerful this morning. Along with Roma Cindy, Wendy all the others and then Bach Crozier and Southwick. I should do a presser later in the morning.
