Today I received a notice of motion from five Liberal Party MPs seeking the expulsion of **Moira** Deeming at a party room meeting that I have called for next Friday, May 12.

I remain firmly committed to leading a united and inclusive Liberal Party that will continue to take the fight up to the tired, corrupt and incompetent Andrews Government.

Our focus is on winning the 2026 election so we can make Victoria the best state in Australia. Victorians deserve nothing less and those who aren't focused on that goal won't have a place in our team.
