Nick,

Attached for you to print off.

KELLIE-JAY KEEN AKA POSIE PARKER'S NEO-NAZI LINKS WITH FAR-RIGHT

1. Keen, is a British anti-transgender rights activist and the founder of the group Standing for Women.
2. Keen has used posters, billboards, stickers, and social media to promote anti-trans messages, and she has organized events in the United Kingdom and the United States that have been protested by supporters of transgender rights: *Wikipedia* (accessed 19 March 2023).
3. Keen's associations with neo-Nazis and far-right activists:
 - In October 2019, Keen appeared in a video interview with Jean-François Gariépy, a far-right YouTuber who advocates for a "white ethno-state" and has made videos with neo-Nazis Richard B. Spencer and Mark Collett as well as former Ku Klux Klan leader David Duke.¹
 - In 2019, gave an interview to Soldiers of Christ Online, a far-right network.² Keen denied prior knowledge of the interviewers' far-right affiliations.
 - Parker has faced numerous allegations of courting ideas of white supremacy. One incident came after she took a selfie with Hans Jørgen Lysglimt Johansen, a Norwegian neo-Nazi who was probed by police after his comments against Jews and denial of the Holocaust.³
 - Parker was also accused of using a Barbie doll wearing a Nazi uniform as her profile picture on the social media site Spinster.⁴
 - Standing for Women's protest in Newcastle on January 16 sparked controversy after one of the speakers – Lisa Morgan – quoted Adolf Hitler to attack trans rights. "Do you know the big lie? The big lie was first described by Adolf Hitler in Mein Kampf ... The big lie is that trans women are women," Morgan told the people at the Parker-organised demonstration.⁵
 - Keen's Melbourne event on 18 March 2023, was supported by a group of at least 30 neo-Nazis, organized by the National Socialist Network, who were seen performing the Nazi salute on the steps of Parliament House and displaying a banner which read "DESTROY PAEDO FREAKS".⁶
