No worries. Might just be a motion from the floor at the start of the meeting

Rather not be the mover but happy to be a signatory

Sorry I meant re secretary role for Renee, not a motion to expel or suspend.

Understand completely. Would you be prepared to do a motion on Renee?

John, I'm worried that being a signatory would make it difficult in terms of my relationship with Kim. I'll certainly support such a motion but having my name on it might be the final straw for Kim - and I'm trying to keep him with us despite current tensions. Hope that's ok.

Michael, would you be interested in being one of the five signatories to the motion to expel should we proceed? Matthew is happy to be one of the signatories and I'm thinking of asking Roma, Wendy and James to be the other signatories. I just thought following the other day when you and Matthew made very helpful comments on the party room meeting that it will be a strong message, but I understand all of the sensitivities around these issues. Can you LMK? Cheers, JP
