[@JohnPesutto's](#) lies are about to be disinfected by pure sunlight.

There is no way his cowardly, misogynistic "leadership" lasts as long as the punishment he gave a strong, independent, conservative, Christian woman who dared to speak out of turn.

This will be better than [#theirABC](#) freak show [#QandA](#) where real women are put down a host with fake tan and a sort of a man who says he is a women but tells a real woman to go home and watch midday movies.
