Hi Moira,

We are completely confused.

Which cover letter? Do you mean, the letter to the Minutes?

Kind Regards,

Thanks,

If the fact that the expulsion motion was withdrawn in full doesn't appear in the cover letter, all will be over.

I write in my capacity as your mentor and set out expectations that are expected from you whilst you are on suspension. The following have been approved by the Leadership team.

- a) When Moira's suspension is completed on the 27 December, she will automatically be reinstated into the Party Room and the Parliamentary Liberal Party.
- b) Whilst on suspension, Moira will have a free vote in the Legislative Council, without any consequences or criticism if she votes against the Liberal Party. Kim Wells will assist with the decision-making process if required.
- c) Moira will be able to invite Liberal MPs and Liberal Shadow Ministers to the Western Metro, who themselves will not be subject to any restrictions on supporting Moira's events.
- d) Moira will be expected to fundraise during this time and transfer the balance of funds to her Liberal Party Bank Account once the suspension is completed.
- e) Moira will have access to her Liberal Party email and other Liberal HQ resources available to other Liberal MPs. Leadership will write to the State Director to ensure that all access to these resources is restored immediately.
- f) Kim Wells, along with the Leadership team, will work with you to find a satisfactory communication strategy for the Leadership team's public messaging around the events surrounding the suspension motion, and of the Liberal Party team's messaging around Moira's views in the future.

If you wish to clarify any issues, please contact me.
