Moir, there are a lot of undecided votes in the party room . So limit on what u say this week. Kim

I've told very media outlets I'm not saying anything until after the vote, other than that I won't call for JP's resignation if he loses

And thank you

I will

Do u have speaking spots in parliament?

Yes just doing ordinary topics

Please still to ordinary, very ordinary

If there is another flare up u will lose votes .

100%

Don't worry that was always the plan

I told them I didn't want to be a single issue MP & asked for help but nobody got back to me

Now they are angry

21/03/2023 7:12:09 PM

Hi Kim, I was wondering if you'd advise me about making a doorstep statement about to finalise it & say I won't make it about John's leadership & say I'm not answering questions until after the vote?

Be very careful with your wording

I only want to help I won't do it if it won't help

Can u send it thru

Yes I haven't written it

Ok write it up and we can kick it around. I think u should be gracious but that's just my opinion

Oh I want it to be a peacemaking attempt to help save face for the party

Ok good

I just don't know what would be helpful to say

But to stop them following me & my children around

Give it a go and we can discuss

Ok I'm just at dinner I'll be as fast as I can

Or we work on it tomorrow after u have slept on it ?

Yes pls I'm soooo tired

I've never been so tired

Agree a clearer head tomorrow

Just trying to help but I don't know how

Let's sort tomorrow

George
Ok. I'll pair you.
Take care, G

Today 8:56 pm

Thank you for checking in on me today. I am very sad about how this has all played out. Obviously I disagree with the allegations & the punishment. But I love the Liberal Party & I want to be part of the team. I can't resign. If I'm not expelled on Monday I'll make a statement supporting the current leadership. If I'm expelled I'll do my best to keep peace & I won't be bashing the party like Bernie. I know this changes nothing about what's about to unfold but you visiting me today was nice. That's all.

I sent that to Georgie. It's the best I can do now there's no way out.

She sent a nice reply- this is not me criticising, I'm just letting you know.

That's a very gracious txt u sent to G

Well it was nice of her to check in, it was the first time I felt like any of the leadership even cared about me at all.

I think G was blindsided by JP motion which means it's Southwick. Please if it goes against us on Monday we have to have a plan B. Have good people around you for starters

I have good ppl. If it goes south on Monday I will keep my commitment not to bash the Party, but I just feel despairing about the reality that we'll constantly be compared in the media & put at odds to rile up John. Then he'll always feel the need to crush me...

Moirra we need to chat please

27/03/2023 5:13:13 PM

More of our colleagues have contacted me saying they r not convinced by what JP has said in interviews this afternoon. For what it's worth

Pessuto not coming across very well on Tom Elliott

From a colleague

I was never trying to humiliate him. I just wanted my make clear. I'm not heartless, I'm sad for John, but I'm so angry

Let's focus on finding a resolution and then fixing what's needs to be fixed

That's what you said to get to me to agree to this & the goal posts keep shifting. I'm devastated by this whole unjust saga.

I'm working with u not against u. We agreed that we trusted each other

I'm not blaming you I'm blaming them. They are untrustworthy.

Please stick with me

4/04/2023 9:02:57 AM

R u back ?

No. I fly in late on 12th

That's perfect . When u get back we will sit down and write up a list of demands for u while u r on suspension

4/04/2023 11:36:43 AM

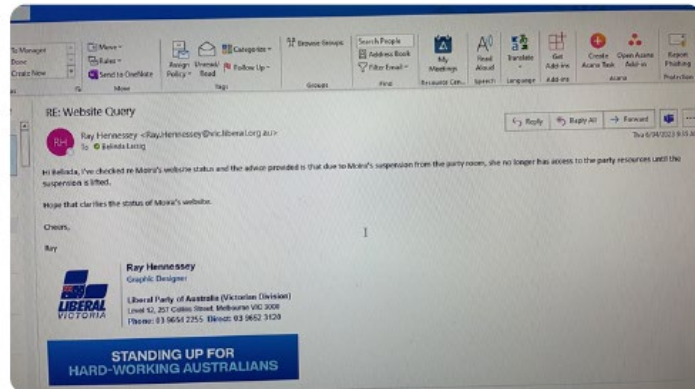

That was badly worded. I meant that I take to Pesutto on ur behalf. For example ur access to Party briefing on legislation etc

4/04/2023 12:51:01 PM

Lol ok thank you. I've been taken off all the websites

We will work thru this

6/04/2023 2:26:34 PM

So I'm officially on the cross bench

It is stuff that I need to negotiate when ur back

I'm also off the liberal website & my lib page is shut just FYI

I'll be sitting with the crossbench too

Again- I'm not orchestrating this in any way. But I also need to tell you that I've emailed Renee & JP twice now asking for the meeting minutes & text of the suspension motion and I've heard nothing back from either. Seems completely against my rights. Plus he's totally backflipped on the requirement to clear me of guilt. And on the joint statement.

And on the automatic reinstatement.

10/04/2023 11:39:09 AM

Let's wait until you get back so we can both write up a list of demands from JP

Braved my first community event after being smeared as a Nazi.

What sort of reception did you get?

It was good, but I've got a huge headache now...

Ha ha so many questions?

I didn't volunteer much information. I love soccer so I got chatting pretty easily.
Anyway I've got ppl willing to help me host a bunch of events with high profile Liberals. Am I allowed to invite ppl like Michael OBrien to one if it suits his portfolio? Am I going to be a pariah for 9 months with that half of the party?

Let me add that to my list of questions bcos we want u pushing the liberal agenda

Ok thanks. I obviously won't troll the leadership by inviting them, I'll give them a wide berth as desired. But if other MPs that aren't just the other faction- you for example- would be happy to come along & speak to members out here that would be good for smoothing things over too.

Yes of course let me follow thru

Ok thanks :)

19/04/2023 1:49:13 PM

I have now been officially uninvited to two events because of JPs accusations against me which he has not withdrawn. And they've gone on record as that being the reason.

I'm furious. I'm going ahead with my defamation case.

Withdrawing the allegations officially was part of the deal.

I have been totally doublecrossed.

I'm just about in tears.

Which 2 functions?

A sporting one & an Iftar dinner

When u have time can u send thru a list of demands that I will manage with JP. ie can u invite shadows to ur electorate

Will do. One of them is that I will not be held to a different standard than other Liberal/Coalition MPs... honestly they need an objective set of rules & expectations for MPs just in general

In dot point form please

You are a relentless & clear communicator 🙄

Thank u

Just spoke to McGowan he's in Thailand with Bev Renee and joe

Yeah I know. I was invited...

Firstly, that the 3 agreed conditions of my 9-month suspension (with no attached reasons) be fulfilled immediately, which were:

(1) A joint statement from Party Leadership and Moira, which (2) provides exoneration from the claims made in the expulsion motion and commits to (3) automatic reinstatement into the Party room after 9 months from the meeting.

- Clarity on whether I'll be a completely independent agent with no Liberal Party resources or responsibilities as a cross bencher, or a 'Coalition' Liberal-given the same support & held to the same standards as other Liberal MPs. (I won't be accepting the worst of both worlds).

- Clarity on whether I'll be a completely independent Liberal (member) MP with no Liberal Parliamentary support or responsibilities- free to associate and work with Liberal Party members whilst advancing my own agendas, raising my own money, collecting my own data & running my own campaigns OR whether I'll be expected to show solidarity with the Liberal Parliamentary team, their agendas/policies and events via shared respectful scheduling, extending invites, sharing resources etc (and if it goes both ways).

Ok that's excellent

And what will be said and not said about me in the future

And vice versa

Thank you :)

Ok no worries

Thank you

Kim, Thanks for our chat earlier today and for offering to play the mentor role. I Spoke to JP and he is keen to chat further re our discussion. Can the three of us meet at 2pm on Wed prior to your integrity meeting? David

I need to tell you one more thing

Good or bad news

Got 2 mins? Neutral to negative to positive

David thanks for ur txt. I really think it will b a waste of time. I need to ring Deeming tonight but just want to clarify what u said to me that is that u said Deeming gave the party room minutes to Credlin ? Is that correct?

No but some has. Credlin reported in her article that a member of the Party room had read her the official minutes.

Incredible. I honestly think it was their desperate staff, even they wanted leadership to stop the madness.

But DS was blaming you. Now he has back tracked on that

I also spoke to John and he and I remain willing to meet with you at a suitable time to resolve things in the best interests of the party.

24/04/2023 9:36:16 PM

?

That is from Southwick

Ah

25/04/2023 7:03:45 AM

I'm thinking of sending the following txt to Southwick. What do u think ?

Although I think a meeting would be a waste of time , I will need to advise JP of the pending defamation case that he is going to be facing . So if u want I will be there at 2 pm tomorrow

I thought you said I shouldn't tell him that I should wait because my career would be over?

And I think Neil hinted strongly to him

Yes if u issue the legal papers I think it's all over. But if I mention them as part of the negotiations it may panic them into a resolution

Ok, I'll leave it to your wisdom. I'm not vindictive, this has always been a last resort to clear my family name.

Ok let's see how it goes

I will txt DS and tell him u have decided not to agree to the conditions of the suspension until the letter to the minutes has been agreed

Thank you

George Crozier rang but I missed it. I texted her that I can't talk on phone but can text.

Probably outlining this week in the LC

Ok

You'll like my latest post.

Local school visit

So tomorrow's the day. They won't do what they should.

They want to get thru the lib meeting and see what debate there is around the minutes. And then decide what to do after that

Of course. See what they can get away with. Honestly. These ppl are so dishonourable. This is going to be an even bigger disaster than the first round. I absolutely will not accept anything less than what I was verbally promised by you & Ryan & which they know they committed to.

How would you feel about me writing to all Lib MPs advocating my case?

That would be really dumb. U need to let the party room sort this

It would be a friendly letter. I need my voice in there or they'll all just go factional & forget I'm a person again

They'll just look at each other & be factional & forget all about me

Pesutto defamed me again on Discernible

He just repeated AGAIN that I had associations with Nazism

What's discernible?

A very popular political talk show

So did he say that tonight?

On Saturday for release now

He's just been continuing to hunt me & try to ruin my reputation & career.

Non stop.

He said I was suspended BECAUSE of the expulsion reasons document

Ok I will follow up with DS. JP and I clashed over his definition of withdrawal of the motion

They are trying to get away with double crossing me. It's simple. If they can, they will.

It will be up to the parliamentary team whether or not to let them do this to me.

He'll be doing his numbers right now

Have sent a txt to DS asking for an explanation. My understanding was that withdrew the motion, the wording and the expelling

Mine too.

He had to. Because we moved a new motion

The old one was dead

They just want me gone. It will be 100% up to the parliamentary team

Either you all let them do this or you don't.

Just spoke to Georgie.

I'm right.

Well then. Tomorrow will be another media bonanza congrats JP

About what?

Kim. I'm pretty shattered. You & Ryan assured me I'd get my name cleared.

I was like a lamb to the slaughter in there. This is a disgrace

Sorry what am I'm being blamed for ? And what is a disgrace? I'm losing you ?

I didn't blame you. Why do you always assume that? I'm expressing my devastation. It is a disgrace that the Leadership of this party are such immoral and malicious people. We all had a deal- a generous deal considering their atrocious actions- and now they will bring the party into even worse disrepute by reneging on that deal.

Let's start again . What did GC call u about ?

Just nonsense it doesn't matter. There's no point.

Let's start again . What did GC call u about ?

It's difficult to follow your logic when you're txtng everyone else

I just don't have the energy to go through this. They will attempt to doublecross me tomorrow. Either the lib team lets them or stops them. I am at the mercy of everyone else. That's all there is to say.

Integrity

That will be the theme

Ok

That's what I predict. Where is the Lib party's integrity.

And I'm not playing games or threatening you. I honestly think it's the obvious juxtaposition. What a mess.

Can you believe he actually had the audacity to tell me not to like posts criticising him!!!

Anyway, I'll stop. Thank you for trying, but sadly these ppl have turned out to be liars & bullies. Good night.

Ok no worries

I haven't seen interview but am sure this would be the last thing he would want to be talking about.

From DS

That is a stupid answer

DS is also a liar. I have zero respect for him.

All of them have lied and lied and targeted me relentlessly. I'm sick to death of it

2/05/2023 10:24:45 AM

What happened?

Do u have a minute?

Yes

Want me to come to your office?

Yes

2/05/2023 1:40:25 PM

Are we working on the minutes today? Just wondering

Not yet but just spoke to DS

Ok and how did that go

Short but friendly

And are we agreed to get it done by Friday?

I'm not sure . I haven't had that conversation with DS yet

If they can't fix this before Thursday it can't be fixed.

Ok no worries

3/05/2023 7:59:19 AM

DS/JP were angry last night and that's even before it went to air

3/05/2023 9:19:06 AM

Ok well I'm sorry but I'm not waiting 2 weeks. You cannot ask me. Let's get it sorted today & signed off tomorrow

Ok I will let DS know if it's not sorted today u will pull out if negotiations

Thank you.

I have told DS your deadline

7 weeks is generous remind him

3/05/2023 12:29:28 PM

No movement?

No but I have also spoken to JP . But if it's not done by tonight it's over

It is, I'm so exhausted. Thank you so much. I just bumped into DS & said are we going to end all this today? He said not today.

He said he'll come & speak to me

I'm in my office I don't want to speak with him alone are you around?

I have a privilege meeting at 1 . I'm sure it will b ok with DS

Ok

3/05/2023 2:09:12 PM

Are you free now? DS never came.

Im free until 3

In QT

Oh sorry

Could I please have a meeting this afternoon with you & leadership in person?

Txt DS and see what he says

Ok
