Hi Moira. Any background update on tomorrows vote?

12:57:53 PM

Not really. Off record Only 6 MPs want this vote to even happen

1:38:40 PM ✓✓

off record JP is forcing them to do something they don't want to do and that they know is wrong. He's doing a cabinet reshuffle set of promises and threats. The works. The pressure on him to back down is massive but he's resisting, even though he knows his case is non-existent.
