ABOUT US

At Let Women Speak we are a very small team who work tirelessly to organise and manage all [events](#), the [store](#), [memberships](#), [Locals](#), the [forum](#), and all incoming queries.

KELLIE-JAY KEEN

Kellie-Jay Keen is a global women's rights advocate who founded the #LetWomenSpeak movement. She's unapologetic and unafraid. She believes that language is the key weapon in the arsenal of those who wish to erase women.
