I'll be there. Who will join me to listen to women? @NatHutchins

Self ID is a danger to women and children, it allows males in all women's spaces. If you want women and girls to have female only spaces come and have your say. We must protect female only crisis centres, changing rooms, sports, prisons and groups. Come and have your say.

Happy to associate with someone who platforms Proud Boys? That particular lad participated in the Jan 6th White House riots, and the Proud Boys are a proscribed terror organisation in both Canada and New Zealand. Is this REALLY the look you want?

Do you have any rational arguments against the sex based rights I'm asking for, or will you just be posting photos of ppl who were near each other instead?

These woke lefties want the "fox in the hen house." Nothing could possibly go wrong with a 6ft male with standing penis in a girls change rooms, or could it? Wonder if the Muslim women only swimming classes will enjoy the "ladyboy" attending. Wrong

Quick question - what about the women protesting against Posie and you? Should we listen to them? Is it just women you personally agree with? 🤔

An elected member of parliament should have better discretion about what sort of blatant hate speech advocates they support. Clearly you have little insight into your choices.

How's being on the same side as Nazis?

You're a nazi.

You were there along with the Nazis. Good times

If you find yourself on the same side as actual fucking nazis- that's the time for some deep self reflection huh?

Who?

All your nazi mates, of course

Go FY Nazi

I don't need you to speak for me. Your hatred speaks enough about you. You have no place in our state parliament - how dare you walk alongside Nazis. Shame on you.

There is a lot more to being a woman then having a vagina between your legs. Consider developing empathy, warmth, kindness and compassion and then I may be interested in your perspective as a so called woman. You behave like a egoic, fearful, aggressive man.

 Poor Moira mustn't be aware the Australian Govt Guidelines on the Recognition of Sex & Gender passed "self-ID" in 2013 - a decade ago...

"Sex reassignment surgery &/or hormone therapy are not pre-requisites for the recognition of a change of gender in Australian Govt records"

Moira Deeming MP @MoiraDeemingMP · Mar 14
 I'll be there. Who will join me to listen to women? @NatHutchins

Self ID is a danger to women and children, it allows males in all women's spaces. If you want women and girls to have female only spaces come and have your say. We must protect female only crisis centres, changing rooms, sports, prisons and groups. Come and have your say.

Big talk, no data whatsoever.

You are using scare tactics without any basis in fact.

Instead of fear mongering, you have no stats, no studies, just the vilification of a protected class.

It's incredibly sexist to pretend that all men are sexual predators. #shame
