Amazing woman. Wish you health and stamina to endure torture and troubles while fighting for women rights in this country. You are modern hero. One day once this hysteria is over there will be school named by your name. Good luck.

The western world is transitioning to a leftist form of fascism. In a nutshell, comply or die. No room for diversity of ideas that don't fit the left's narrative, which is seen by the followers as the universal truth. It's selective inclusion.

All I can say is thank God! Thank God this beautiful woman has the courage and fortitude to go forward and fight the bs that is being fed our young in schools. This week I was quite down about the way the world has become and in watching this it's given me hope.
