absolutely brilliant, it is so unfortunate, that the majority of MP's do not have the intestinal fortitude that this lady has.

Moira, before today I'd never heard of you. That speech was brilliant - may you become a champion of proclaiming truth in the public square. We all know that there is only one type of truth, THE truth. I'm also a school teacher who has felt the Leftist push to proclaim and celebrate lies as truth. Transgender students are the victims here. Those speaking the truth are not the bad guys; those demanding that lies be declared truth are that.

Well spoken, Moira, may God bless you. Courage combined with accurate knowledge is a powerful force. Sure, you will be attacked, but our Lord warned you of this (Mark 8:34)

They (the enemies) are threatened. They will take down your videos regularly. It's meant to be disheartening because they hope people will see small likes or comments. Thinking you don't have public support (which you definitely do).
