Dear Moira,

You and your filthy offspring do not represent the Australian dream. No wonder your husband does what he does. Neo Nazis, fascists and white supremacists deserve to end up like Mussolini and your Führer, starting with your offspring so they won't pollute the next generation.

You are hardly white yourself. Do your husband and the world a favour and have no more litters. Four is enough. Unloved and inadequate woman failing miserably trying to be a mother.

You are a disgrace to this beautiful country and must be excised like the puss filled bag you are.

Have a nice day.

Pathetic display

To Moira

This past weekend's display is absolutely disgusting and you should be so ashamed to have any part in it.

As a Grand-daughter of 4 veterans who served valiantly to uphold the values of our great nation during the second world war, I know that for the ones who have passed and my grandfather who still lives they would be, and are, appalled and angry that the unimaginable, intolerable threat they fought so bravely to defend us from is still rearing its ugly head in our own citizens with the help and support by an elected official.

No good intended idea (protecting youth from predators and bad medical advice) is worth sacrificing our actual values to Nazi scumbags whose thoughts and values are, without exception, directly contrast to our own.

The process they use to sometimes arrive at seemingly benign ideals is flawed, it reinforces patterns of thought that encourage discrimination and if given air will give life to the worst crimes our species has ever seen.

I implore you to turn away from such people, for the anger and hate that radiates from people like that is an all consuming fire that will burn away any soul you have left, they are not of god, they are not of humanity and they most certainly are not of Australia.

I also implore you to research and reflect the accounts and testaments of Jewish survivors and their family who survive them (<https://mhmm.org.au/#> is a good resource, and when they reopen you should visit it) their harrowing and ghastly memory is a monument to ensure that any and all remaining dregs of Nazism will be stamped out here and throughout the world.

Sometimes evil is hard to see, the road to hell is paved with good intentions, but when it comes to Nazism it is clear as crystal that it pushes the limits of the human capacity for toleration and participation of evil.

I'd like to leave you with a powerful video from an American conservative, former Republican Governor, Actor and Austrian native, his lived experience as both a conservative politician and growing up in a former occupied country should be enlightening to say the least
<https://youtu.be/jsETTn7Dehl>

Once again I ask you to turn away from hate, turn away from discrimination and reflect on the path you are walking.

God speed and NEVER AGAIN.
An Australian

Shame on you for attending a nazi rally. That you think aligning to nazi sentiment is ok but being trans is not, is pure stupidity of the highest account. I will complain about you until you are rightfully removed from office. Absolutely disgusting.

Dear Ms Deeming,

What a concerning situation!

There you are talking to Neo Nazis and other white supremacists and you can't see a problem.

You need to leave politics. Such Trumpian behaviour has no place in this country.

Better still invent a time machine and head back to the 1950s. Even then I think there would still be consternation.

You'll be remembered for all the wrong reasons, you Fox News lovin' moron.

Yours sincerely
Terry Fitzsummons

To Mrs Moira Deeming,

Anti-Semitism & any form of racism is not okay. Your association with far-right racist organisations stains our parliament.

Please resign & seek to find some kindness in your heart. Change for the better.

Hi, you are toxic
In the end you will lose like all the rebels.
In history most have been sidelined , imprisoned , shot ,ignored , deported,or reached their use by date.
Leave , it is better to do that than cause more trouble and be in a position where no one will touch you a la senator lidya Thorpe.
Remember a candle burns brightest before it dies .
Leave politics society will survive without you.
55 years in politics , I know how it ends.take my advise
