BREAKING: Opposition leader @JohnPesutto says he will move to expel Moira Deeming from the Liberal parliamentary party room this week.

Yesterday afternoon Victorians witnessed an abomination on the steps of the Victorian Parliament when neo-Nazi protesters engaged in an affront to the values we should all hold dear as Victorians.

The violence, prejudice and hate that these protesters conveyed by their odious actions will never be acceptable in our State. I condemn them and commit to opposing such hate wherever it may exist.

This afternoon I met with Moira Deeming MP who attended yesterday's rally. I discussed her involvement in organising, promoting and participating in a rally with speakers and other organisers who themselves have been publicly associated with far right-wing extremist groups including neo-Nazi activists.

Pesutto did the only thing he sensibly could, although could be argued he shouldn't have had her in the party room to begin with. He knew she had form.

Although Pesutto moved the expulsion of Eva Braun, otherwise known as Moira, from the party room, the decision to expel her was made by a majority of the party room. Accordingly, it is incorrect to make it all about Pesutto - he only accounted for one vote. [#springst](#)

The disgraced politician, Mrs Moira-Louise Deeming MLC - now a member of the crossbench of the Victorian Parliament - was expelled from the Parliamentary Liberal Party last month. Nevertheless, it appears that she is in a state of denial. She is marketing herself as a "Liberal member" of Parliament, despite not having any authorization to do so from the Party, and she is also misappropriating the Liberal Party logo so as to illegally apply it to confer legitimacy herself, again without authorization. This is an outrage. This "Eva Braun of the western suburbs" (to give her her nickname in some circles) needs to face the legal consequences of her actions!

The on again, off again legal action by nazi loving TERF Moira Deeming is BACK ON!

Less than 24 hours before the state parliamentary party is due to vote on a second motion to expel her. [#vicpol](#) [#auspol](#)

According to [the Australian](#), the notice warns Deeming may commence Federal Court proceedings after 28 days if Pesutto does not immediately seek the withdrawal of Friday's expulsion motion, publish an apology to her on his website, and pay her compensation and legal costs.

A spokesperson for Pesutto confirmed he had received the letter, telling Guardian Australia:

"Mr Pesutto has received a letter from Mrs Deeming foreshadowing legal proceedings. As the matter is before the courts, he will not make any further comment."

Guardian Australia understands the vote will go ahead as planned on Friday morning.

Five Liberal MPs - Roma Britnell, Wayne Farnham, Guy, Cindy McLeish and James Newbury - are seeking to expel Deeming from the party room for "bringing discredit" on the parliamentary team.

It comes after she threatened to mount a legal challenge against her nine-month suspension from the party. Deeming shortly backed down from the threat, issuing a statement on Saturday denying she planned to sue the Liberal party and claiming she only wanted a lawyer's assistance to help clear her name.

Sitting in a cafe in the back streets of Fremantle, perusing today's edition of the Australian (the Daily Telegraph of the Antipodes), in which a columnist bemoans how the Posie Parker Effect has added to the woes of the Liberal Party (Aussie Tories).

When the party promises to reinstate super tax breaks for wealthy retirees, is essentially opposed to the voice, did not support the revamped safeguard mechanism to address climate change, and its state MPs attend anti-trans rallies with neo-Nazis, is it any wonder Aston was lost?

Statement from @JohnPesutto

Opposition

Yesterday afternoon Victorians witnessed an abomination on the steps of the Victorian Parliament when neo-Nazi protesters engaged in an affront to the values we should all hold dear as Victorians.

The violence, prejudice and hate that these protesters conveyed by their odious actions will never be acceptable in our State. I condemn them and commit to opposing such hate wherever it may exist.

This afternoon I met with Moira Deeming MP who attended yesterday's rally. I discussed her involvement in organising, promoting and participating in a rally with speakers and other organisers who themselves have been publicly associated with far right-wing extremist groups including neo-Nazi activists.

At our meeting I informed Ms Deeming that I will move a motion at the next party room meeting to expel her as a member of the parliamentary Liberal Party as her position is untenable.

@StrewthQueen

Serious question: would you, like Moira Deeming, have stood by as
NAZIs heiled Hitler on the steps next to you?

If so, you're as bad as her, & if not, why are you defending her?

Impressive performance by John Pesuto on ABC TV just now explaining and defending his decisive move to expel Moira Deeming from the Victorian Liberal party room after attending yesterday's anti-trans Nazi ambush on the steps of State Parliament

Impressive would have been Presutto expelling Deeming as soon as she started spewing her messages of hate & division.

Instead he embraced her.

He's reacting now, bc the entire world has seen his LIB colleague standing with Neo Nazis.

She was also a school teacher!

Some Dept of Ed background checking is required, and probably letters written to every parent to advise them.

We should never let nazi-adjacent far-right filth near our kids!

Remember whent the Australian media whipped up so much hatred towards Yasmin Abdel-Magied over a 7 word F/B post 'disrespecting' veterans. I am waiting for a similar hate fest for Moira Deeming literally marching with Nazis.

Here's Victorian Opposition leader John Pesutto saying Moira Deeming will be sacked from the Liberal Party because 'she has an association with ... people who promote Nazi views.'

It's a slur that is equally outrageous and false. He looks stressed.

Lol, Pesutto says VicALP is corrupt as he announces he is expelling an MP for attending a Nazi rally

Since Vic Lib Moira Deeming is being kicked out of party for attending anti-trans rally with Nazis, and Nazi-costume wearer Dominic Perrottet is seeking re-election on Saturday, let's recap how Liberals have always had a problem with extremism and racism.

independentaustralia.net

The Liberal Party seems to be a bit racist

The Liberal Party needs to be held accountable for its racist attitudes and scandals that largely get brushed aside.

BREAKING: Victorian Liberals move to expel Moira Deeming over neo-Nazi rally links.

For anyone that says the Nazis had nothing to do with the protest - John Pesutto clearly states the rally had speakers and organisers who have been publicly associated with Neo-Nazi activists 🗨️

“This afternoon I met with Moira Deeming MP who attended yesterday’s rally. I discussed her involvement in organising, promoting and participating in a rally with speakers and other organisers who themselves have been publicly associated with far right-wing extremist groups including neo-Nazi activists.

“At our meeting I informed Ms Deeming that I will move a motion at the next party room meeting to expel her as a member of the parliamentary Liberal Party as her position is untenable.”

Is it great or just window dressing by Pessutto? Expelling her from the Liberal Party doest change the fact that RW nazi extremist Moira Deeming is still sitting in Parliament.

Ok, maybe it's not official, so she can be referred to as a small "n" nazi, just like that distinction between "Liberal" and "liberal".

Finally succumbing to pressure after finding his party is now literally standing alongside neo-nazis is hardly 'impressive'.
