Hi Moira,

Thanks for your patience with my leave – I commenced looking at legal processes to obtain any account information but have run into a few hurdles at this stage. An initial basic request for the information was rejected by twitter/'x' and they detailed account information is only released in instances of imminent threat to life etc.. otherwise legal process is required. A warrant application was compiled to compel the information however have received a further reply from twitter/'X' that they will only accept service on their office address in San Francisco – whereas our courts cannot sign/authorise a warrant on extraterritorial or international addresses.

At this stage in the absence of being able to obtain a warrant; I've submitted a more formal request to with relevant privacy act/data disclosure legislation in hopes that with more detail surrounding the request they will provide some level of assistance in regards to these accounts.

Where these processes fail, there are options available to VicPol to engage with the Attorney General's office and initiate a Mutual Assistance Request with other international law enforcement agencies – however the offending we're looking at may not meet the threshold for such a request.

Realistically it's going to be difficult to progress the investigation without twitter/'X' cooperating and providing any account information – I'll certainly let you know what the reply from the most recent requests are however.

Kind Regards,

Hi David,

Hope the family is going well with the new bub.

I wanted to touch base for an update, and let you know that

1. I have more screenshots from that insane 'rosie' twitter account
2. And that I'd like to put a complaint in, if he's not already included- against Lachlan McGowan of the twitter handle @LachlanTheSane (He is obsessed and has sent me a private twitter message saying "I'd have to hold off on my desire to spit on you" I've found out he lives in Melbourne or used to, so I'm quite worried)- seeing as how he is clearly someone who is obsessed with hating me.) Or is he already one of the people I've put in a formal complaint about? Because I had him blocked but now I've seen all his other posts and I'm horrified.

Kind Regards,
