When Moira Deeming was suspended for nine months by the Victorian Liberal Parliamentary Party last month, she committed to supporting myself and the leadership team and working with her colleagues to win Government in 2026.

It's now clear from her intention to launch legal action against myself and undermine the party that that she has breached this commitment and her position has become untenable. Hence, I will now be moving a motion at the next party room meeting to expel her from the Liberal Party.

I remain committed to leading a united and inclusive Liberal Party that takes up the fight to a tired, corrupt and incompetent Andrews Government and winning the 2026 election so we can make Victoria the best state in Australia.

Victorians deserve nothing less and those who seek to undermine this have no place in our team.
