Sorry Neil, missed your call in the mess

No worries at all Moira. I trust you, Andrew and the family are going okay and enjoying your break. Neil.

Thank you, yes we are. I'm not telling anyone else, but honestly I'm having huge anxiety, panic attacks & nightmares about what on earth JP & his minions will do to me for 9 months. Pls pray for us. I'm not going to dishonour God or stop defending sex based rights. I think I'm tired & really- it's finally hit me, just what these ppl were willing to do to me- knowing full well that I'm innocent. It's awful

Sorry to hear that Moira, that's terrible. Andrea and I will keep praying for you all. I would be happy to chat with you about this quietly outside your office at some stage if you would like to. There are ways and means of handling this sort of situation. It is a brutal business (as I also know!!), but with God's wisdom and grace,

That would be great thanks Neil 🙏

No worries at all. I will leave it to you to contact me when it suits you and we can make arrangements then.

Thank you 🙏
