Hi Moira,

Apologies for the delay as I've unexpectedly been in hospital with my 2 year old since Wednesday.

What might clarify things for me to focus on then- are you able to reply with a summary of which accounts and which correspondences/communications you're wishing to pursue? Obviously this Rosie account is one we'll continue to look into (checks are still pending results), but if you can just specify which other accounts and which of their messages your saying are the worst, it will help me greatly.

Kind Regards,

Hi David,

I'd to pursue a few of the worst to the fullest degree. Just two or three. This is one of the people.

Kind Regards,
