Smaller crowd of trans rights activist than expected. Usual students & fake socialists. Fash are here too because the 'antifascists' invited them.

Selkie End the Occupation Ceasefire No @whitecrane12 · Mar 18, 2023
You let them share the steps with you, sieg heiling away. You've been running to the cops all week and they've been very obliging in pushing back any opposition. Interesting that you didn't ask them to move the nazis on. You want them there or they'd be gone

Angie Jones @angijones
The cops did. Do you seriously think we could have removed them even if we wanted to? Fool.
