

#### Emails

As Previous journalists discovered, those FOI documents are not full email threads, often lack authorship & contain nothing nothing transphobic or homophobic. She was a councillor seeking clarity on the law.

#### Preselection money pledge

As the document clearly states, the pledges came from a large group of people & nobody ever planned or ever did break any donations laws.

#### Anti sex worker issue

Moirra has never made any statements against sex work- she simply ran a Council survey to find out community views on rezoning sex work & objected to the presence of children in brothels. And her community supported that view.

#### Email signature flags

Muslim Council employees approached Moira, upset about being forced to have a rainbow flag under their personal name. Moira suggested making it optional or
