The former Ciobo team didn't even
invite me to that conference.

I've been in the Reynolds office
packing everything up and
completely missed everything.

Oh dear.... I wouldn't take it personally everyone is all over the place. drew and co will pass on points, Fiona wants a consolidated list of names and numbers, she was giving her direction for priorities and media. If you give me a call later I can talk and let you know

4:09 pm ✓✓

Hahah yeah, I've noticed that. 😂

Okay, did Fiona wasn't that consolidated list from me or was it tasked to someone else?

4:11 pm

She asked for everyone to send details to her and I think she will forward to you to compile

4:11 pm ✓✓

Awesome, I'll give you a call later.

Thanks for the heads up.
