1. **Michaelia Cash** press conferences. With these I'm looking for wide shots that include all the journos, camos and staffers. These dates below are what I'm looking for precisely. If we have any of them, I can then wade through and find the pics I need. I realise press conferences aren't kept but some grabs may have ended up in news packages on or around these dates and I can then still get lucky with the shots I'm after.

3. **Linda Reynolds** - we need lots of Reynolds please. Anything we can get. Around parliament house in Canberra, anywhere is great. Great to have her in campaign mode in the 2019 election between 11 April 2019 and 18 May 2019 - she was prominent in the seats of Hasluck, Canning and Swan.
(Defence industries minister from March 2019, Defence Minister from May 2019. WA Senator since 2014.)
