Hey Jacob,
Hahah barely. He's just hyper motivated - Julia Gillard is going to launch his report on sexual misconduct in South Korea though which will be cool.

Also mum is going to help you out with the move. I've just been dealing with a lot and have left it on the back burner a bit too long. Honestly, I'm going to be unemployed pretty soon so won't be able to juggle both rents very shortly.

Yeah, I've left it on the backlog of the too long too.

Is there anything else I can do to help you out in the meantime? :)

Hahaha. She can totally have the couch. I still don't get why she is so into it. I mean, it's good looking and all buuuut. Haha

I'll be free after 18:00 AEST tonight if you wanted to call then. Orrrrrrrr I am free for another hour and 15 minutes now. :)

She purchased the couch originally for MPM so she sourced it and knows how much it cost. In her mind it's almost like the piece of furniture that got away sort of thing haha.

If you could just coordinate with mum to get the particulars arranged that would be amazing. I'm more than happy to make appropriate payments to get things sorted but just don't have the capacity to organise things at the present.

Hey Britt,
Just a heads up: Sent in the form and stuff for breaking the lease this morning.

Your dad offered to pay the fees and stuff I'll pay him back when he gets back from Bali. He just really wanted to get things going because you only have a few weeks left.

Anyway.
Happy Monday!
Just had a three hour lecture on neurology... Can feel my psyche fraying.

It was good talking to you last night - you sounded exhausted. So I guess I extra appreciate it.

Good luck with all the job interviews and stuff that are coming up!

Let me know if there is anything I can do to help out. :D

Hey Jacob,

Yeah, it was a pretty mammoth day. In relation to that workplace incident, I had to speak with the police and was just so exhausted.

That's why dad has stepped in to help out with the move from Silvershore because there is a lot going on at the moment. If you could just take the lead with finalising the lease. Also if we could split this overdue power bill that has come in that would be

Really good talking with you too.

Won't tell your Dad about the AFP though. I'm sure he is worried enough as is.

I'm sorry you've been going through a lot.
I can't pay the power bill for a couple of days. But I'll get it sorted as soon as I can.

I can temporarily cover it as of tomorrow. Then if you could pay me half the bill directly that would be great.

I'll be in WA and we have to pay our accommodation costs up front then it gets covered after the fact (fortnightly) by the govt. Therefore you have to be pretty liquid in terms of cash.

Thankfully Parliament is entirely documented and secured by police so there was no prospect of him getting away with anything unscathed

Awesooooome! Well, once we've got a new tenant in I'll get you all sorted. Any particular preference where you want me to send your things?

That sucks so much. You've had a lot going on though so it makes complete sense. I'm excited for six weeks from now when you can have a bit of a breather hopefully. I imagine regular 13 hour days aren't great.

Paid the energy bill this morning. Disregard the message.
