Hi team – I don't reckon this intro sells the story to its full potential. I reckon we lose the line on the Queen's statement and outline more of the story's key assertions

Intro (still to get sign off from legal)

PART I

OPENING

(LISA)

Parliament House, Canberra. At its official opening in 1988 the Queen described it as the "embodiment of the democratic principles of freedom, equality and justice."

Now one staffer is speaking out - claiming she was raped inside a ministerial office.

And she's faced multiple obstacles in her search for justice.

There isn't yet. But Laura is kindly just pulling together a brief now - she can add the scripts.
