Virgin Australia | Claims in Deloitte Halo platform

### Content

Dear Sir / Madam,

The Administrators will be reviewing and admitting your claim(s) lodged through the Deloitte Halo platform **for voting purposes only**, for the second meeting of creditors to be held in late August 2020.

The adjudication of proofs of debt for this purpose will be a big task, and it would assist us greatly if you could lodge your claim(s) in the Deloitte Halo platform ASAP, enabling us to admit your claim(s) for voting purposes at the second meeting of creditors. We request that you attach any supporting documentation to your claim(s) in the Deloitte Halo platform.

**Please note that the amount your claim is admitted for by the Administrators is for voting purposes at the second meeting of creditors.** A detailed adjudication process of your claim(s) will occur at a later date when a dividend has been declared by the Administrators for any dividend distribution you may be entitled to.

### What happens next?

Further information regarding the sale agreement and estimated returns to creditors will be disclosed in our Report to Creditors pursuant to section 75-225(3) of Schedule 2 (Insolvency Practice Schedule) to the Corporations Act, which will be provided to creditors together with the Notice of the Second Creditors Meeting convened pursuant to section 439A of the Corporations Act, before the end of August 2020.

The Report to Creditors will outline the estimated return to creditors and will provide further details with respect to the steps to be taken to complete the sale of the Virgin Group.

### Troubles or questions with the Halo platform?

If you are having trouble registering, logging into your account or submitting claims (proof of debts), please refer to our guidance on the Halo platform FAQs here. Or submit a query here and our team will get back to you and provide assistance.
