Fair point haha

Yeah people are spewing

I have covered myself 😬

I don't doubt it haha

How's your week been?

Can't even convey how intense it's been.

On the off chance you've heard anything in relation to me would beyond appreciate a heads up. 🙏

Team Reynolds has been a somewhat controversial topic in the federal scene as of late 🙏

I'm intrigued

Trust me, it's best left alone haha.

If you hear anything particularly pointed though, you know where to direct it. 🙏

Sorry, I'm just over it.

This super fucked up thing happened a little while ago and I've just lost the fire.

Sorry 🙄

Is this a super fucked up thing you've told me about before?

Naa I haven't talked to you about this.

I briefly mentioned the PMO involvement in an incident but that was it I think

Which one was this?

I thought we were as open as possible haha

How fucked up are we talking?

Pretty shitty.

It's been rough.

When did this thing happen?

About four weeks ago I'd say

I'm going to ask what happened

Would you prefer if I called

Naa, it's cool. I want to just focus on eating my Thai food and enjoying the new season of homeland

How's your night going?

Not too bad. Just went out for tapas with a few friends from work.

Also, whenever you are free I'd potentially like to get your take on how to approach the whole incident that went down.

Your opinion is always valued so would probably be good to hear what you think.

I can call on my drive home if you like?

Cool, sounds good. 🍷

I'm here if you need

If I'm this angry and mad about your story I can't imagine what you're feeling

Mostly just sort of sad more than anything else.

Thank-you, as always your two cents is always valued. Have a good night ✓

Feeling better today? Did the little bit of time off help

I can't describe how angry and saddened I am by all of this

It's fucked

Absolutely, much better. There are only 26 days until the election.
