Good morning George,
I'm wondering if I had our camera operator Rowan meet you at UNSW at 11.15am
could work?
Kind regards

No sorry I have commitments until 230, but could do between then and four today. I'm in the Chancellory building at gate nine on High Street. George

I'll make that work and get back to you soon. Thanks.

Hi George
Oscar our camera operator can arrive at 3. Any problems please let me know. I'll just be on the phone today asking questions, hope that's ok.

Sounds good, if he calls me on arrival, I will come down and we can do it outside.

Thank you.
