I plan to advise that it's a little early to itemise the approaches but we won't be making them without the approval of Brittany and, in the case of the political figures, it won't be until much closer to the transmission date. As to TX, we have still to negotiate with Sam Maiden, but probably Monday the 15th. Am I correct in these assumptions?

Can Sarah & I get a time-line on interviews and approaches for the remainder of the shoot.

Also what is the proposed TX date and when will [News.com](https://www.news.com.au) be publishing?
