Morning all

Lisa and I drove down to Canberra and back last night to do the PTC plus the potential Monday promo. Rob Shaw-Velzen the camo did a really lovely job - it was well worth doing.

We also got Rob to shoot some more overlay at night in APH and around Canberra afterwards.

We'll need to get Rowan (or whoever is doing voices today) into the tent on this story when Lisa lays down the VO.

Finally, by the end of today we'll need to send Sam Maiden the clip she'll use at the start of her story tomorrow. I don't know when it's going to drop - possibly midnight. Crucial we get this to her today because then our clip will be sitting at the top of her story (with some colossal non-removable Project branding on it I'm hoping).

Best

Angus

PS I am going out for a dead-flash lunch today with my wife for Valentines so will be a tad unavailable for a few hours in the middle of the day.

PPS Commiserations to all those in Melb who can't go out at all.
