Thanks Laura.

I'm about to thrash through the questions again - I'll get you across them both once they're in a more reasonable shape. I'm doing my best to shorten Lisa's questions in pre-production rather than post production.

After talking to Myles he recommended talking to Anne Twomey as this is such a complex area of jurisdiction.

Anne just told me that this is "beyond exam level" of difficulty, it's one of the "most legally complex things we have" in this country. Sweet.

Hi mate,

Are you all sorted for the interview tomorrow? Do you want to chat through anything beforehand?

Cheers,
