Morning all

Not sure if the Sunday/Monday TX is still in play but I forgot to mention this yesterday.

Our talent came to Sam and to Lisa as she specifically wanted to do one print and one TV interview.

Whatever our decision is regarding TX I think part of our duty of care to the talent is to make sure we don't crush the print/online story by going early. Our talent wants to be able to control as much as possible the frenzy around her - having both stories published she feels this will set the story in stone and she won't need to do any more interviews.

cheers

Angus
