Hi Sam

The script for ACT is in two parts - the first probably goes for about 11 mins, the second maybe 14.

Peter and Laura and the lawyers Myles and Tasha have already seen it. Peter would like to get a rough assembly done as quick as we can before we start cutting back anymore (it was originally 2hrs20m).

The script is not in my usual shared folder as we're keeping this story on a need to know basis for confidentiality and legal reasons.

Do you know who might be able to start on this soon? Once that's sorted I'll give them access to the scripts.

cheers

Angus
