ANNEXURE A to Applicant's Submissions
Chronology of the Let Women Speak Rally

The sources for this chronology of the Let Women Speak rally (**LWS Rally**) are:

- A. the unchallenged evidence of Rukshan Fernando in his affidavit dated 27 May 2024 (at CB:7) (**Fernando**), and its exhibit, Exhibit 'RF-1' (**RF-1**);
- B. the 'Fernando Stream' (see paragraph 4 below) at p1 of RF-1 and at CC:254;
- C. the 'Fernando HD Footage' (see paragraph 4 below) at p2 of RF-1 and at CC:255;
- D. the audio-visual recording taken by Kellie-Jay Keen which was livestreamed on and then subsequently uploaded to her YouTube page (**Keen Footage**), which is at CC:253 (Ex.A137); and
- E. the audio-visual recording entitled 'Let Women Speak Melbourne 2023 Highlights' published on YouTube by 'The Unshackled' (**Unshackled Footage**), which is at CC:923 (Ex. R522).

...

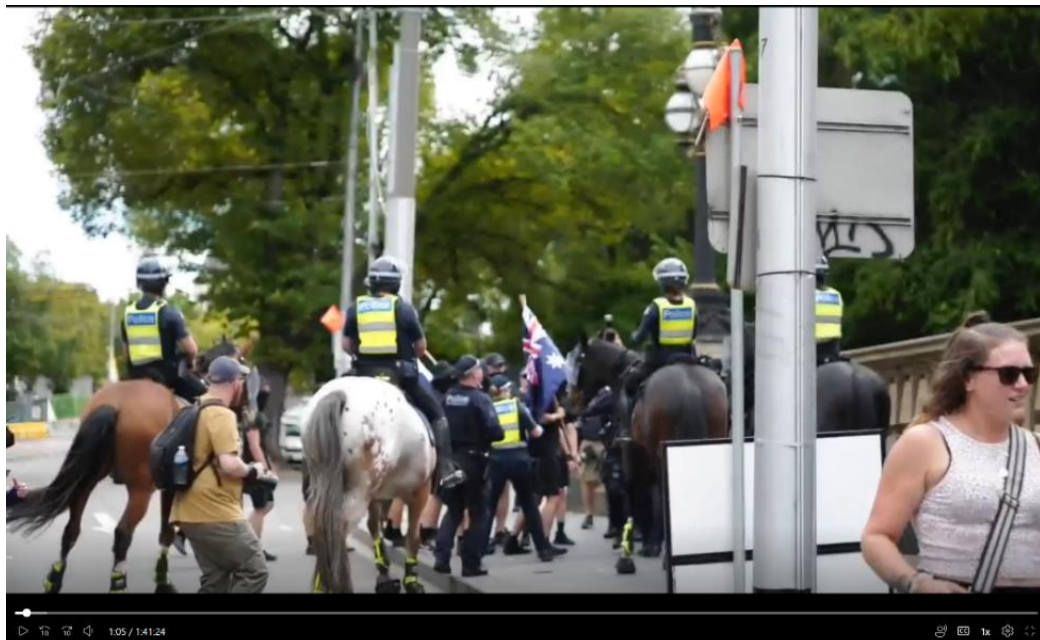

Mr Fernando

1. Rukshan Fernando is an independent journalist and a videographer: CB:7:45 Fernando [1].
2. Shortly before the LWS Rally, on or around 16 or 17 March 2023, Mr Fernando became aware that a number of protests were scheduled to take place in front of Parliament House on 18 March 2023: CB:7:146 Fernando [4]. He understood there would be 'a women's rights rally' (i.e. the LWS Rally), 'a pro-trans protest organised by the Socialist Alternative', and 'a protest organised by the Freedom Protesters': CB:7:146 Fernando [4]. He decided to attend and record the groups outside Parliament House on 18 March 2023 because he 'was intrigued by the fact that such distinct and potentially large groups of protesters were likely to occupy the same space at the same time': CB:7:146 Fernando [8].

3. Mr Fernando arrived outside Parliament House at approximately **11.40am** on 18 March 2023: CB:7:146 Fernando [9].
4. He made two audio-visual recordings: the first filmed using a high-definition handheld single-lens reflex camera which was mounted to a handheld camera mount (**Fernando HD Footage**); and the second filmed using an iPhone mounted on the same handheld camera mount which was directly streamed via Facebook Live to his Facebook page (**Fernando Stream**): CB:7:147 Fernando [10]. Mr Fernando commenced recording the HD Footage at approximately 11.41am, and he commenced the Stream at approximately 11.42am. A copy of the Stream is at CC:254 and a copy of the HD Footage is at CC:255.

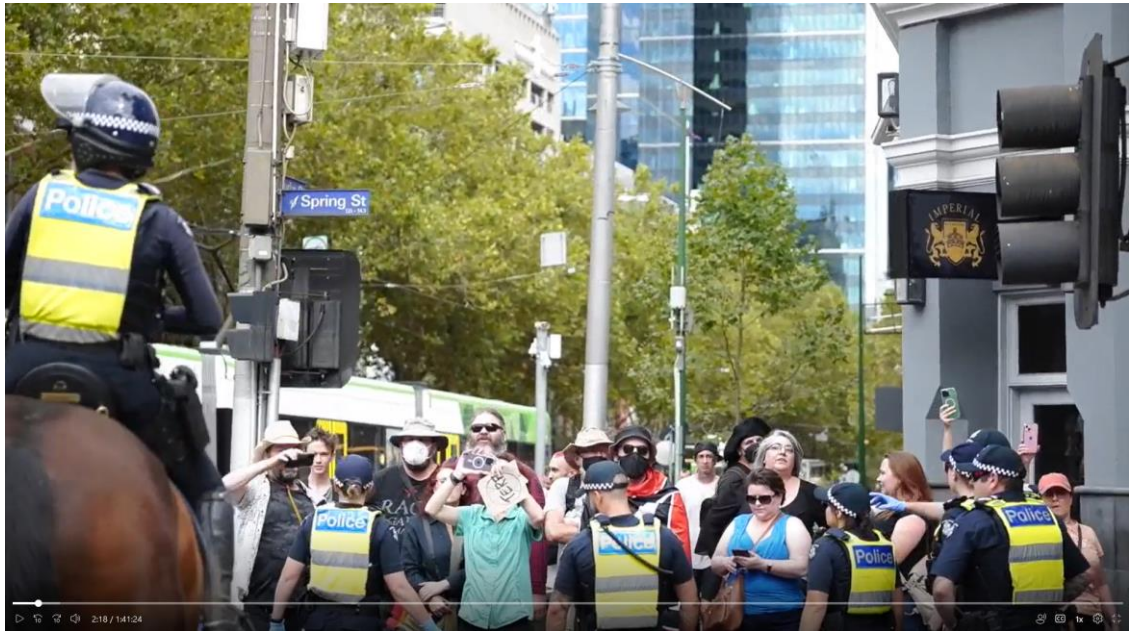

LWS Rally

5. At approximately **11.42am**, Mr Fernando approached the north end of Spring Street where a police line had formed (**North Police Line**): CB:7:147 Fernando [11]. He observed that a group of a dozen men dressed in black approached the North Police Line: CB:7:147 Fernando [11]. They were carrying an Australian flag and a rolled-up banner.
6. This is seen in the Fernando HD Footage at 1.05-1.45.

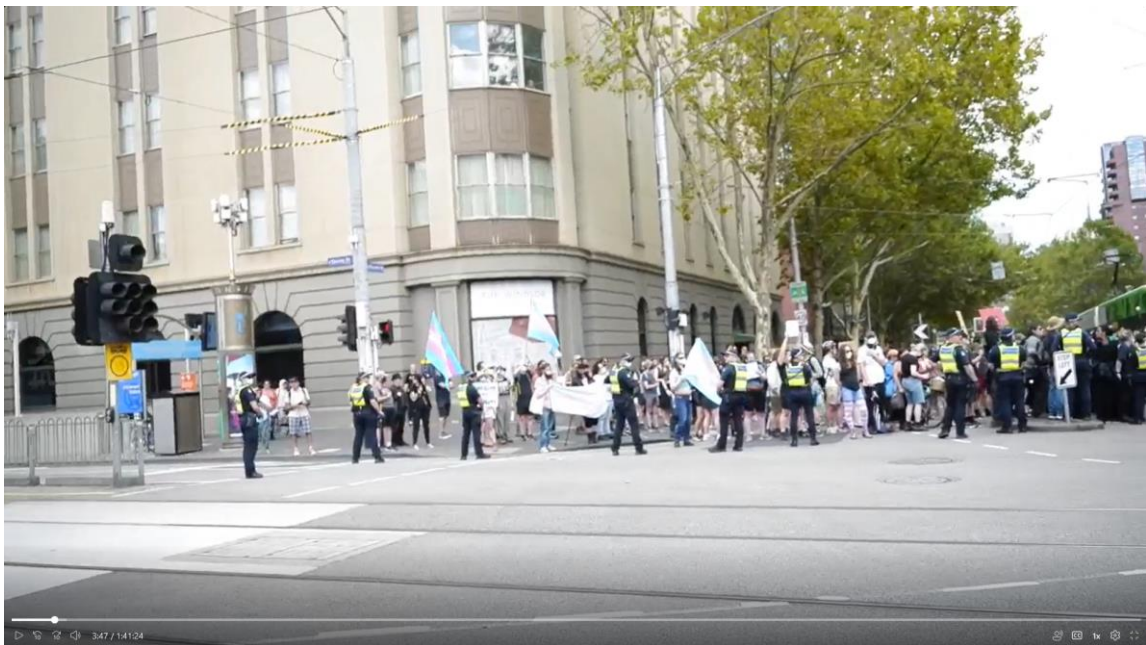

(Fernando HD Footage at 1.05)

7. Mr Fernando gives evidence that around this time he observed that “a large group of counter protesters had formed on Bourke Street” (**Bourke Street Protesters**): CB:7:147 Fernando [15].

(Fernando HD Footage at 2.18)

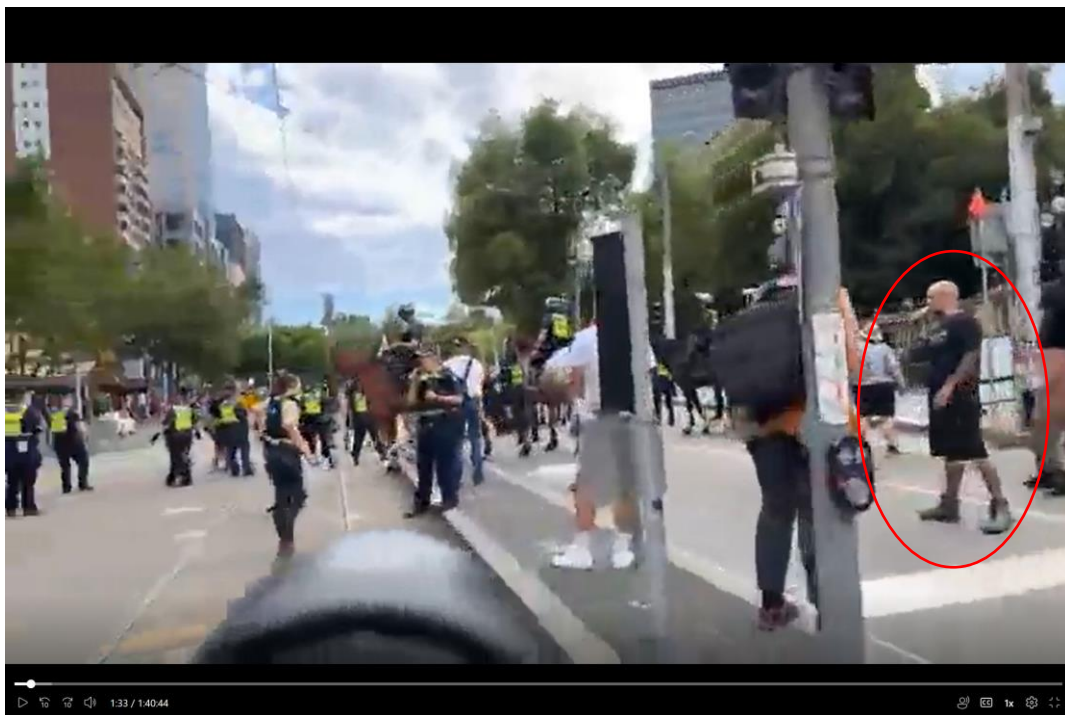

(Fernando HD Footage at 3.47)

8. At approximately **11.43am**, an unknown male speaker (**PC Rally Speaker**) can be heard to say through a microphone:

“You want to know why we’re here? We are here to protect the children. We’ve had enough of the government sexualising children. We are here to protect the women. We have been protesting every week for the past three years. Today’s purpose is protecting children. We are against the indoctrination of our children by our government.”

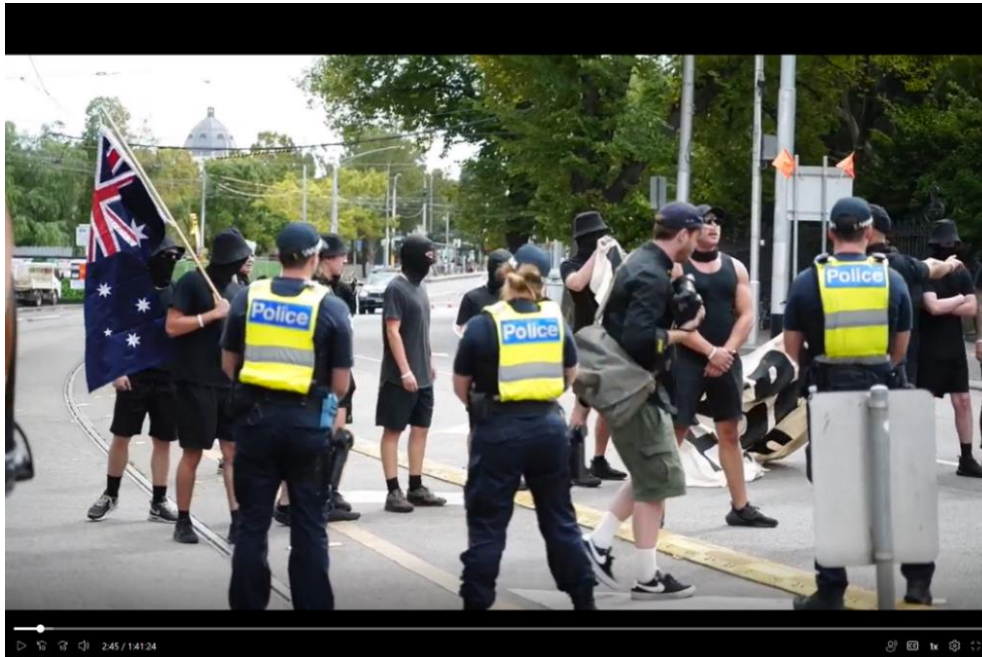

(Fernando HD Footage at 2.20; Fernando Stream at 1.07-1.40).

(Fernando Stream at 1.33)

The Applicant contends that the PC Rally Speaker (the bald man wearing a black top and black shorts, holding the microphone on the right-hand side of the screenshot of the Fernando Stream at 1.33) was an attendee of the ‘Protect the Children’ rally (**PC Rally**) which the Applicant says was separate from and unrelated to the LWS Rally. It is likely that those attending the PC Rally were the same as or at least overlapped with the ‘Freedom Protesters’ to whom Mr Fernando refers in his affidavit (at [4(c)], [7], [15], [17], [28], [31], [33], [50] [53]-[55]).

9. Around this time, the Nazis stood in a line opposite the North Police Line and unfurled a banner which read “*Destroy Paedo Freaks*” (**Banner**) which was displayed towards the south end of Spring Street (CB:7:147 Fernando [13]; Fernando HD Footage at 2.45-3.00).

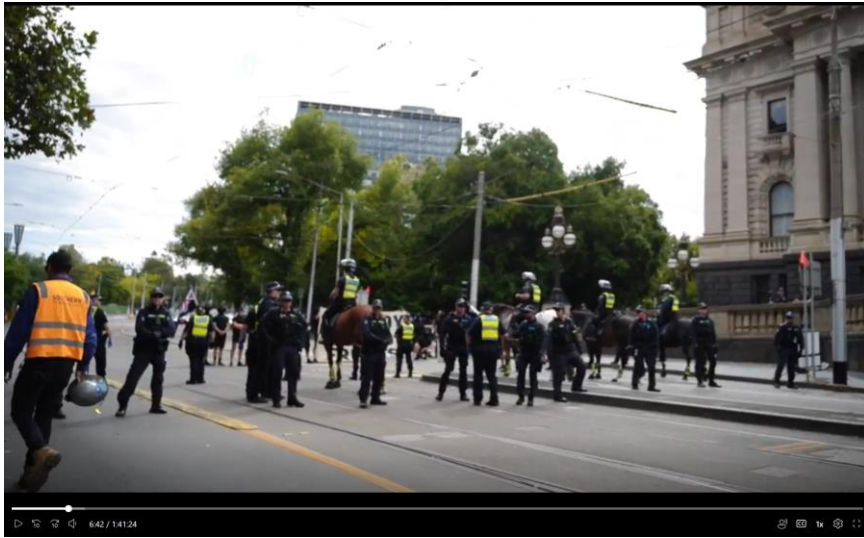

(Fernando HD Footage at 2.45)

(Fernando HD Footage at 2.52)

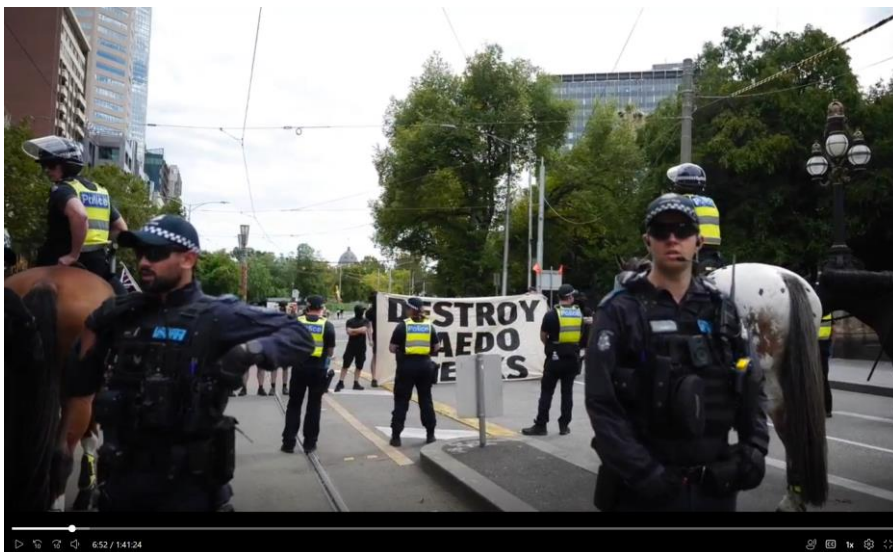

10. At approximately **11.47am**:

- (a) A protestor says to Mr Fernando “*point your cameras at the Nazis over there. The Nazis over there, mate*” (Fernando HD Footage at 6.30). The North Police Line is still formed in front of the Nazis. A secondary police line on the interior, facing the south end of Bourke Street, is immediately behind the front end of the North Police Line (**Interior North Police Line**) (Fernando HD Footage at 6.42).

(Fernando HD Footage at 6.42)

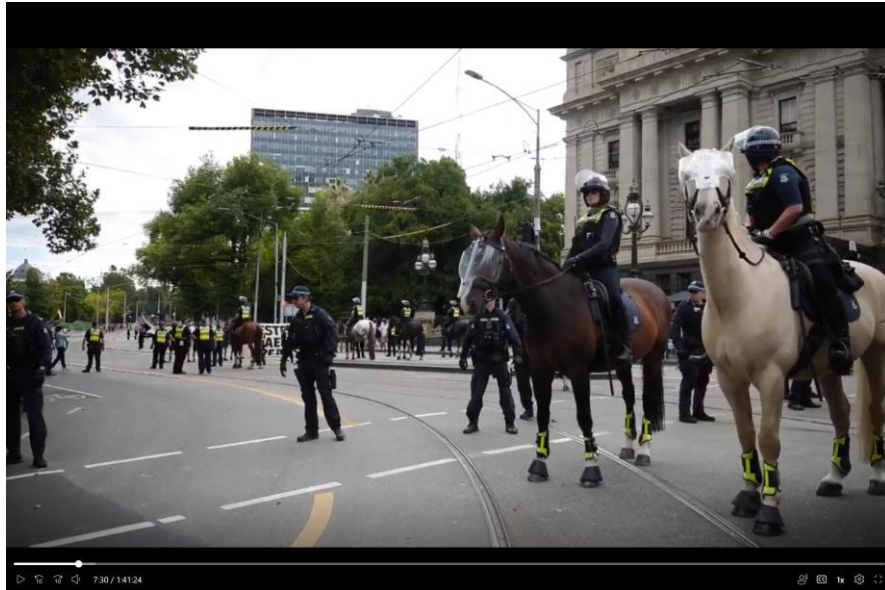

- (b) The Nazis are still displaying the Banner towards the south end of Spring Street (Fernando HD Footage at 6.52).

(Fernando HD Footage at 6.52)

11. At approximately **11.48am**:

- (a) A police officer on the interior of the North Police Line can be heard to say (to the other officers) “*move up*” (Fernando HD Footage at 7.02), at which the interior line moves closer to the Parliamentary Precinct up to the north end of the pedestrian crossing at the intersection of Spring Street and Bourke Street (Fernando HD Footage at 7.30).

(Fernando HD Footage at 7.30)

- (b) The PC Rally Speaker, can be heard saying through a microphone:

“We are living in a society where the so-called cancel culture, Antifa, support big government and support big pharmaceuticals. So much for the revolution, yeah. If you know your history, you might know of a man called Ernst Thalmann. He started Antifa. You wouldn’t want to go the same way as Ernst, would you? We are here to protect the children. We are here to protect the women. Because antifa, is supporting big pharma. [inaudible] The whole system needs to be changed. We’ve been betrayed at the federal level. [inaudible] The algorithm picks up anything that doesn’t suit the government narrative. If they choose not to restrict pornography, what does that do for young men’s perception of a relationship? [inaudible]”

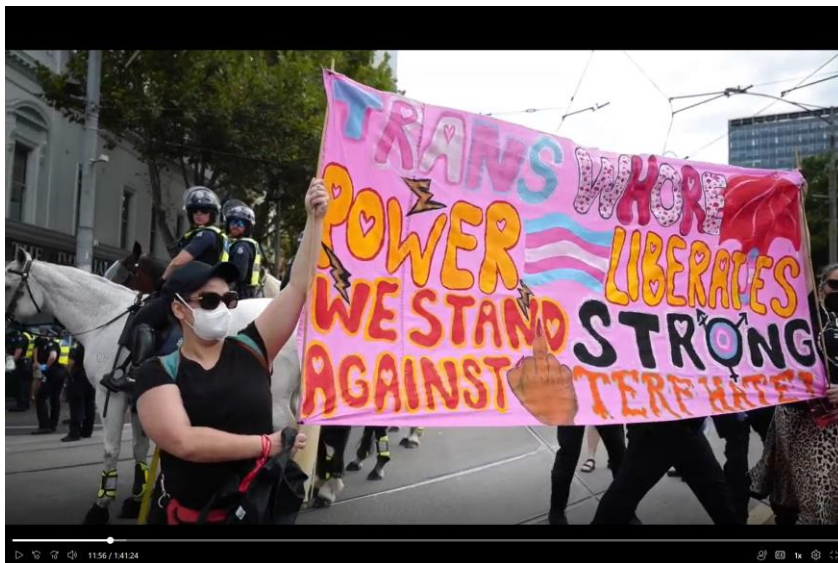

(Fernando HD Footage at 7.31-9.29; Fernando Stream at 6.27-8.25).

- (c) During this time, women wearing pink high-visibility jackets hold hands in front of the LWS Rally group and start chanting “*let women speak*” (Fernando HD Footage at 9.12-10.00).

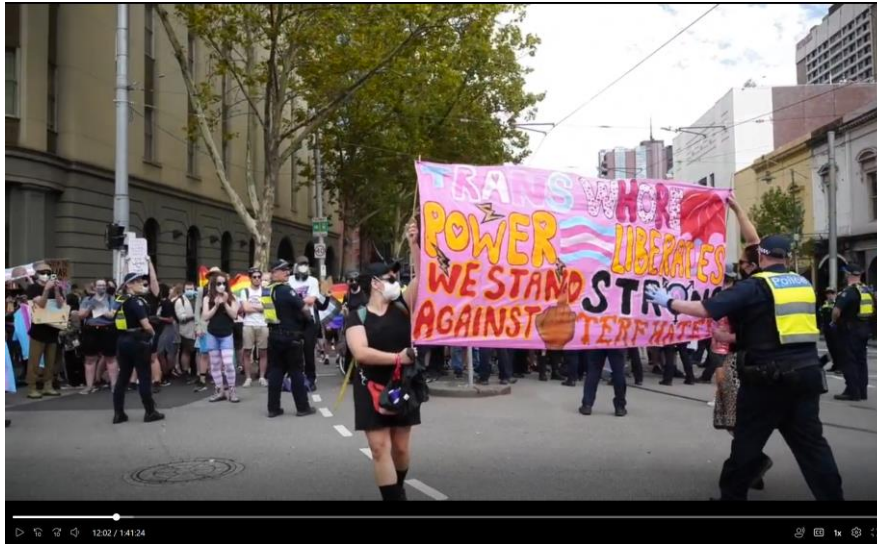

(Fernando HD Footage at 9.25)

12. At approximately **11.52am**, two protesters, holding a banner that reads: “*TRANS WHORE / POWER LIBERATES / WE STAND STRONG / AGAINST TERF HATE*” momentarily enter the Parliamentary Precinct but are guided by police to join the Bourke Street Protesters (Fernando HD Footage at 11.46-12.11).

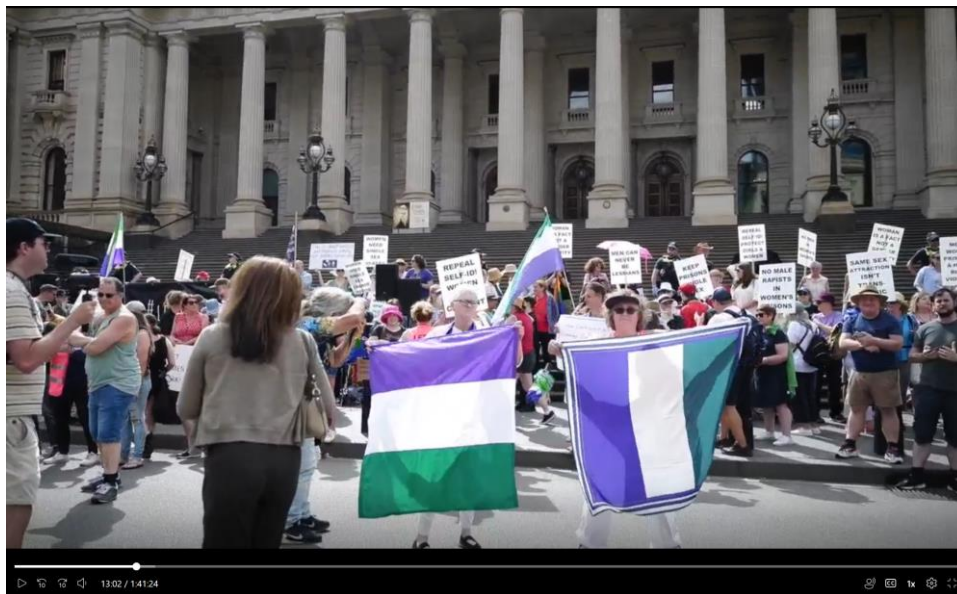

(Fernando HD Footage at 11.56)

(Fernando HD Footage at 12.02)

13. At approximately **11.54am**, two women can be seen standing in front of the LWS Rally group holding suffragette flags (Fernando HD Footage at 12.55).

(Fernando HD Footage at 13.02)

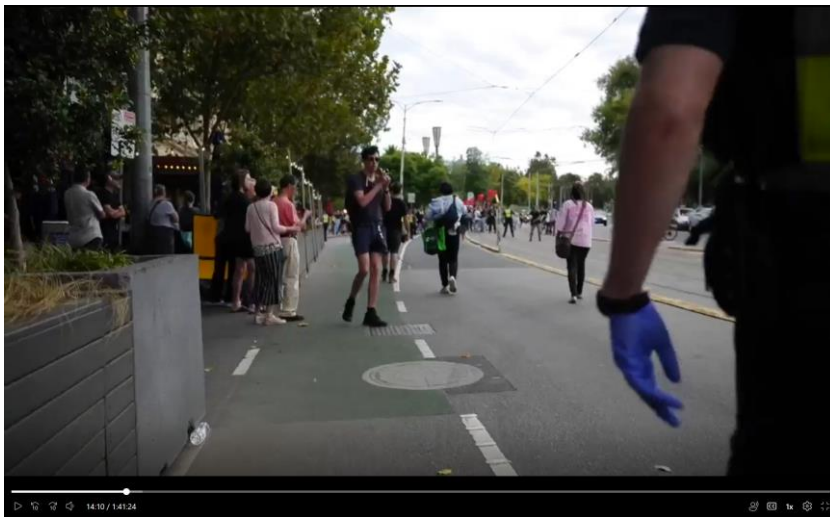

14. The woman on the right begins to speak to Mr Fernando and says:

We want female only spaces. That's all we want. Daniel Andrews has taken our legal rights away from us to have female only spaces. That's what we want back, we want the right to go to a toilet without a biological man coming in there. We want the right to go into a change room and not have a man undressing in front of us. Create a third space.

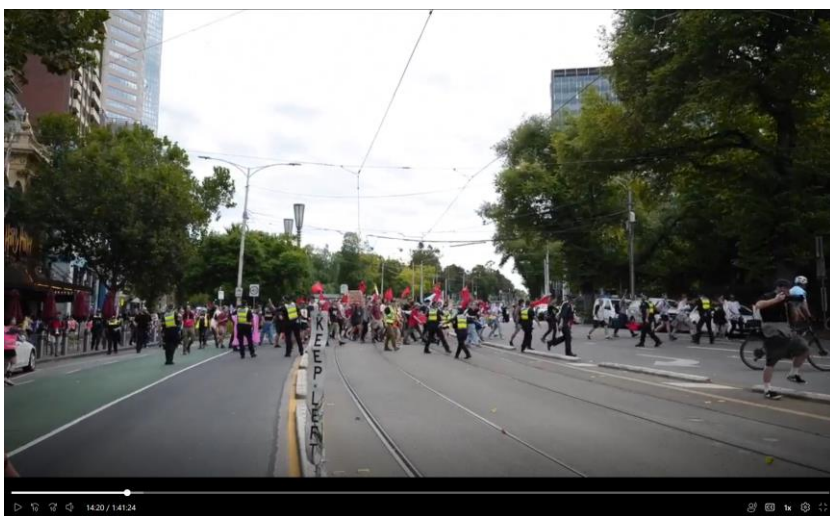

Create a gender diverse space, a unisex space, so all people can unchange [sic] and be safe. Our children are not safe. When any man is allowed to self-ID that means any predator is legally allowed to walk in there and that's not on.

(Fernando HD Footage at 13.15-13.54)

15. At approximately **11.55am**, Mr Fernando heard “*police sirens and loud drumming coming from the north end of Spring Street*” (CB:7:148 Fernando [19]). A large number of protesters carrying red flags (**Socialist Alternative Protesters**) emerge from the far north end of Spring Street: (CB:7:148 Fernando [21]). The police form a further line (**Far North Police Line**) are preventing the Socialist Alternative Protesters from entering the Parliamentary Precinct (Fernando HD Footage at 14.00-14.12).

(Fernando HD Footage at 14.10)

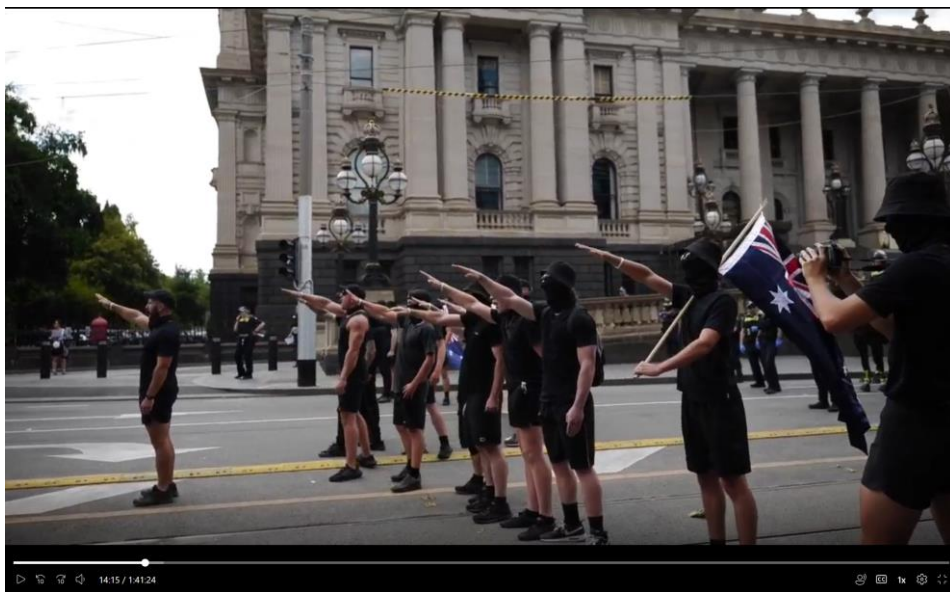

(Fernando HD Footage at 14.20)

16. The Nazis face the north, display the Banner, and perform the Nazi salute in the direction of the Socialist Alternative Protesters (CB:7:148 Fernando [23]); Fernando HD Footage at 14.15). Whilst performing the salute, the Nazis start to chant:

- (a) “*Blood and Honour*”;
- (b) an inaudible chant; and
- (c) “*Hail victory*”.

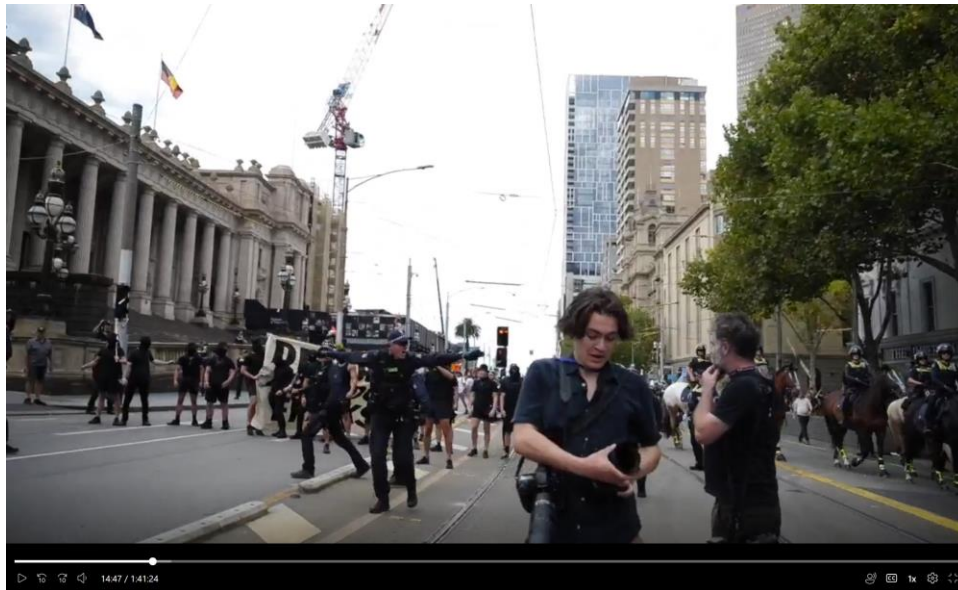

(Fernando HD Footage at 14.11-14.25)

(Fernando HD Footage at 14.15)

17. Once the Nazis cease chanting, Thomas Sewell can be heard to say, on at least three occasions, “*Come here you communist faggots*” (Fernando HD Footage at 14.25-14.35).

18. At around this time, the Socialist Alternative Protesters begin chanting “*unite, unite, unite to fight the right*” (Fernando HD Footage at 14.37) and the police begin to reinforce the Far North Police Line in larger numbers, including with police on horseback (Fernando HD Footage at 14.46).

(Fernando HD Footage at 14.47)

(Fernando HD Footage at 14.49)

19. At approximately **11.56am**, the Nazis can be heard yelling in the direction of the Socialist Alternative Protesters, stating, among other things:

- (a) “*paedophile freaks*” (Fernando HD Footage at 15.13);
- (b) “*cross the line, you faggots*” (Fernando HD Footage at 15.36); and
- (c) “*faggots*” (Fernando HD Footage at 00.16.22).

20. Between approximately **11.57am** and **12.04pm**, the Socialist Alternative Protesters start chanting the following:

- (a) *“Posie Parker you can’t hide; you’ve got Nazis on your side”* (Fernando HD Footage at 15.56-17.30; 20.20-21.01; 21.55-22.55);
- (b) *“fuck off, Nazis, fuck off”* (Fernando HD Footage at 17.57-18.15);
- (c) *“fuck off, bigots, fuck off”* (Fernando HD Footage at 18.15-00.18.30 and 21.25-21.55);
- (d) *“shoot yourself like Adolf Hitler, follow your leader”*. (Fernando HD Footage at 18.28-19.33);
- (e) *“trans rights are under attack, what do we do? Stand up fight back”* (Fernando HD Footage at 00.19.34-00.19.58); and
- (f) *“our streets”* (Fernando HD Footage at 20.50-21.19).

(Fernando HD Footage at 14.41)

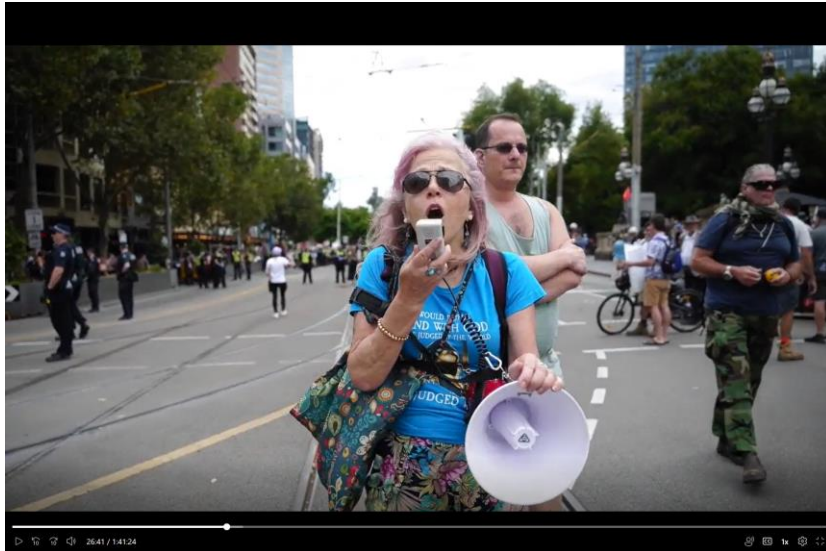

(Fernando HD Footage at 15.24)

21. At approximately **12.06am**, Ms Keen commences the Keen Footage, which is livestreamed and uploaded to YouTube: CC:253.
22. At approximately **12.07am**, an unknown woman approaches Mr Fernando and says the following through a megaphone:

You know about MAPs, don't you? See, evil hides behind labels titles words, codes symbols, numbers. And the way they carry it on through the next generation is change the label, so they've changed the word – label for paedophile, to MAPs. Which is minor attracted persons. And what they're teaching our children in the schools is all grooming for paedophilia. They get their minds set first. The parents have no say or choice on what their children are learning. But once it's in the mind set, then the actions follow and they're ripe for being raped by paedophiles. They want to add P to LGBTQP and legalise paedophilia in this nation. And it ain't happening on our ship. Jesus is king and our God reigns.

(Fernando HD Footage at 26.33-27.38)

(Fernando HD Footage at 26.41)

23. At approximately **12.10am**:

- (a) Ms Keen enters the footpath on the south end of Spring Street and is escorted by private security and police to the steps of Parliament House (Keen Footage at 4.30-5.30).
- (b) Ms Keen is seen to emerge from the steps of Parliament House with Mrs Deeming (Fernando HD Footage at 29.52-30.13).

(Fernando HD Footage at 30.13)

24. At approximately **12.12pm**, the Bourke Street Protesters start chanting “*Posie Parker you can’t hide; you’ve got Nazis on your side*” (Fernando HD Footage at 31.12-32.00). The LWS Rally participants start chanting “*let women speak*” (Fernando HD Footage at 31.43-33.54).

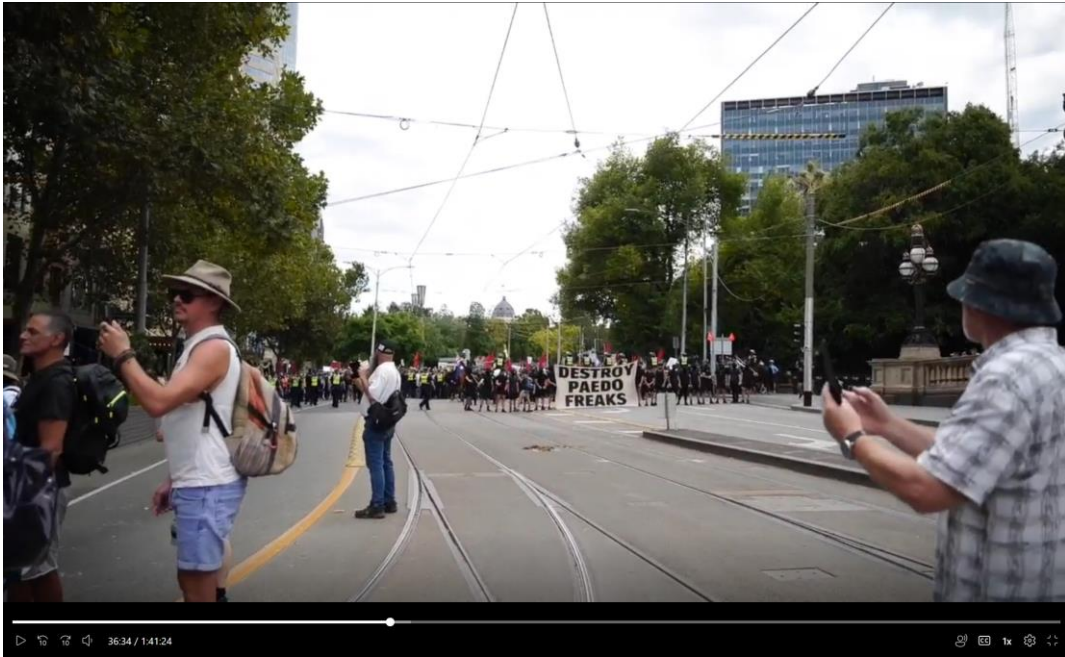

25. At approximately **12.15pm**, Ms Keen commences setting up cameras and microphones in front of a large banner that reads “#let women speak” (Fernando HD Footage at 34.40).

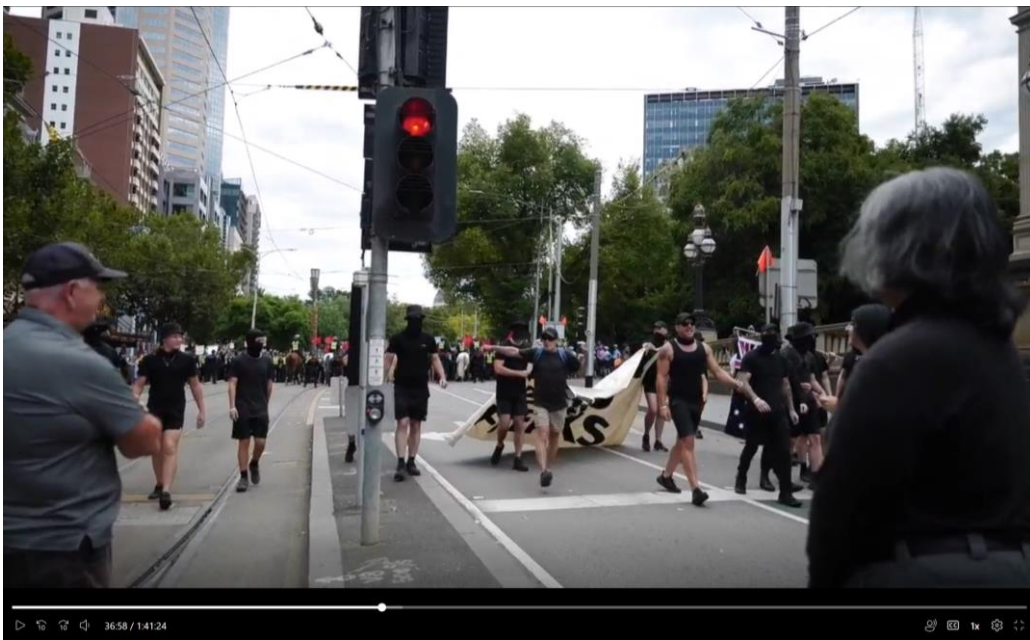

(Fernando HD Footage at 34.43)

26. At approximately **12.17pm**:

(a) The Nazis stand on the north end of Spring Street, behind the Far North Police Line, displaying the Banner, facing south. The Interior North Police Line is no longer visible (Fernando HD Footage at 36.38). The Nazis, whilst maintaining a line, begin to approach the Parliamentary precinct.

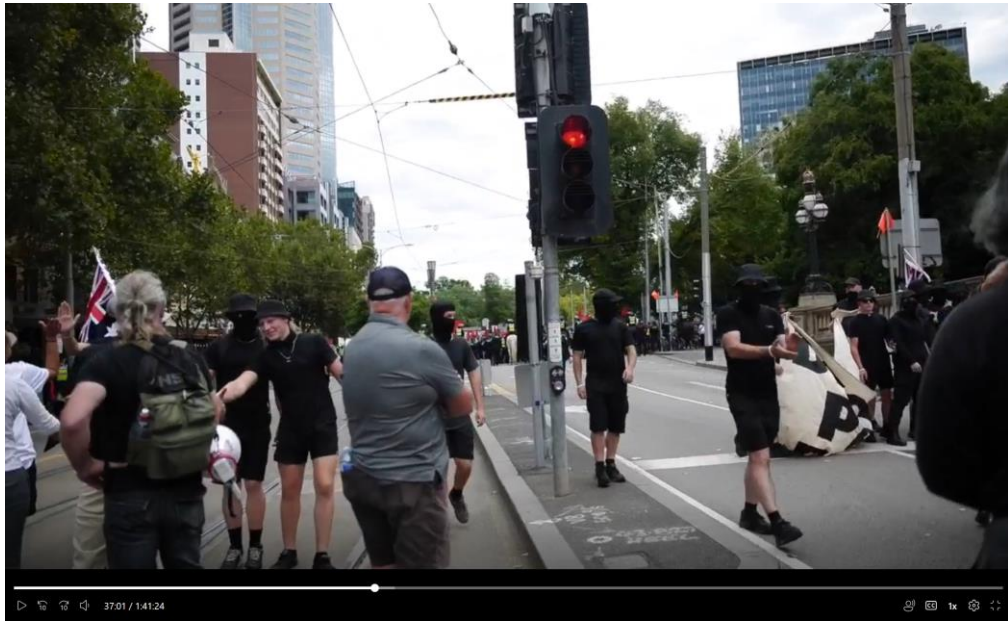

(Fernando HD Footage at 36.34)

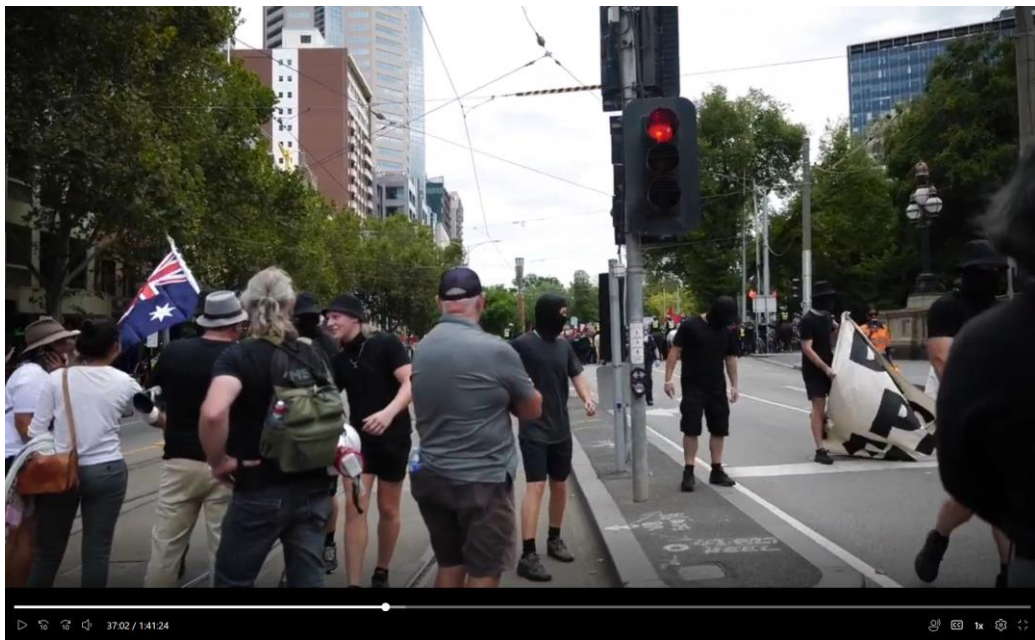

(Fernando HD Footage at 36.58)

(b) The Nazis converse and shake hands with people who Mr Fernando identified as the Freedom Protesters (CB:7:149 Fernando [31]).

(Fernando HD Footage at 37.01)

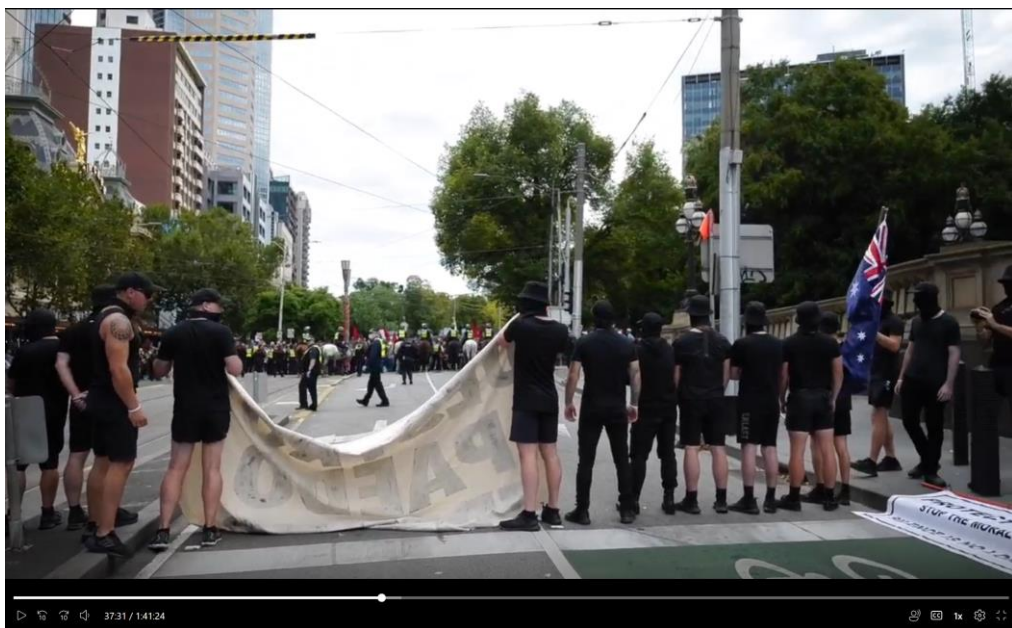

(Fernando HD Footage at 37.02)

(Fernando HD Footage at 37.05)

27. At this point, a person says through a megaphone *“Oh, we got some freedom fighters, now. We got some freedom fighters, yeah. Good on you. We got some freedom fighters, yeah.”*.
(Fernando HD Footage at 36.59-37.11).

28. The Nazis turn to face the Socialist Alternative Protesters on the north end of Spring Street and display the Banner in their direction.

(Fernando HD Footage at 37.31)

29. At approximately **12.18pm**, the PC Rally speaker says: “*Alright guys, for those who are here for the protect the children, we’re going to start moving off*” (Fernando HD Footage at 37.27).

30. Around the same time Ms Keen, whilst pointing towards the west of Parliament House, says the following:

Before I start, I feel like I – two things, we are going to do the respectful welcome to country but I’m just going to stand up on those steps, and I’m going to wave at all the boys that have come today, we’re going to say “hello, boys” to those lovely men and their cheer-transers, as I like to call them, who’ve come along with. So, I’m just going to stand on the steps and I think it might make them annoyed, but its all good fun. So just one moment.

(Fernando HD Footage at 37.35-38.05; Keen Footage at 12.46-13.36)

(Keen Footage at 13.06)

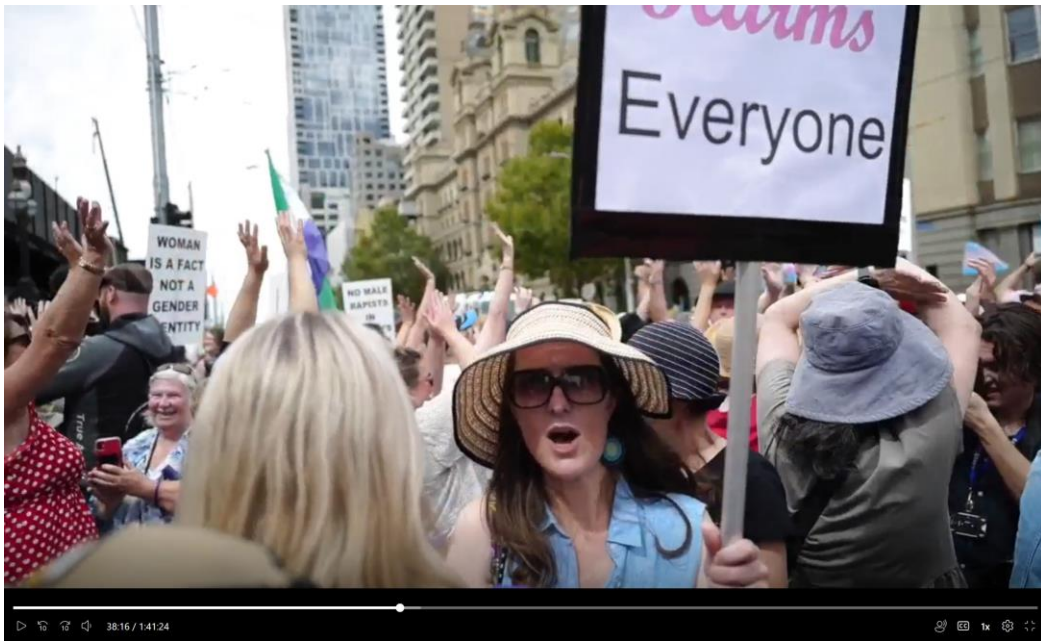

(Keen Footage at 13.10)

31. Ms Keen mounts the first few steps of the south end of Parliament House (Fernando HD Footage at 38.05-38.12) and yells “*Hello boys. Hello. Hi, thank you. Thank you so much. It’s so great to see you all, little red army over there. Thank you for coming. Thank you*” (CC:235 at 13.31-13.51). She is speaking in the direction of the LWS Rally attendees and the Bourke Street Protesters.

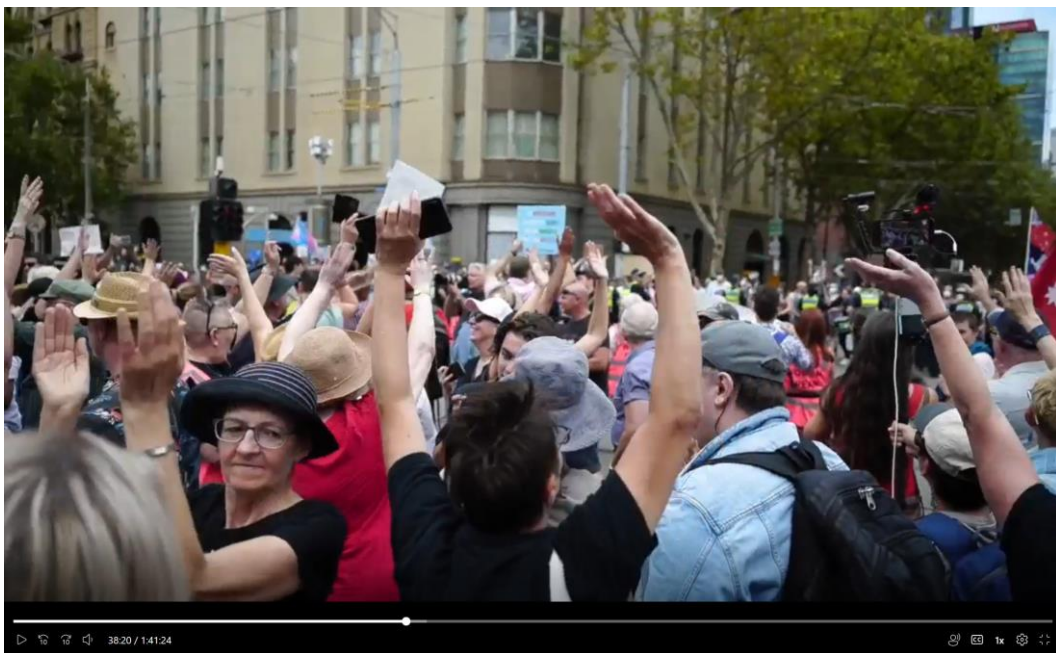

(Fernando HD Footage at 38.12)

The LWS Rally crowd turns to face the west, facing Bourke Street, and start to wave and cheer.

(Fernando HD Footage at 38.16)

(Fernando HD Footage at 38.20)

32. At approximately **12.19pm**, Ms Keen addresses the LWS Rally crowd, and the following exchange occurs:

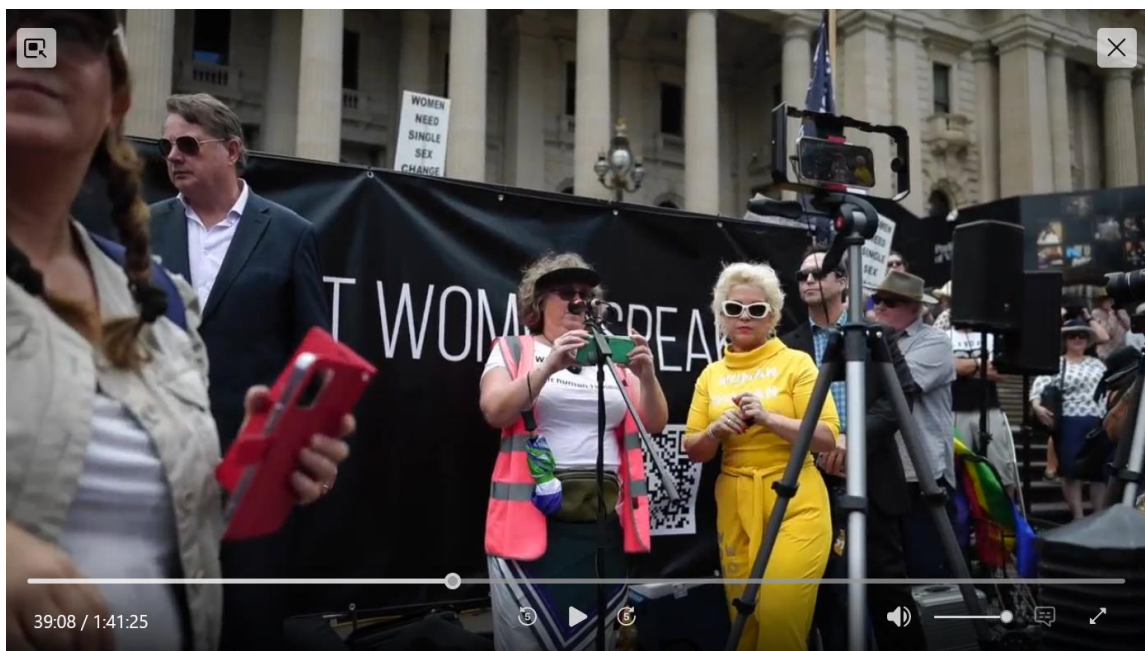

Ms Keen *The way we start in the UK is we do this: I'm going to finish and then you say the word "TERF." And you say it with pride and you forget that it's used against us because actually it simply means you don't think that any woman can have a penis. [singing] – Oh what a day this has been. What a rare mood I'm in. Why it's almost like being a –*

Crowd: *– TERF.*

Ms Keen *You absolute beauties.*

(Fernando HD Footage at 38.30-39.02)

33. At approximately **12.20pm**, the LWS Rally performs a welcome to country (Fernando HD Footage at 39.08-39.21; Keen Footage at 14.30-14.44).

(Fernando HD Footage at 39.08)

(Keen Footage at 14.49)

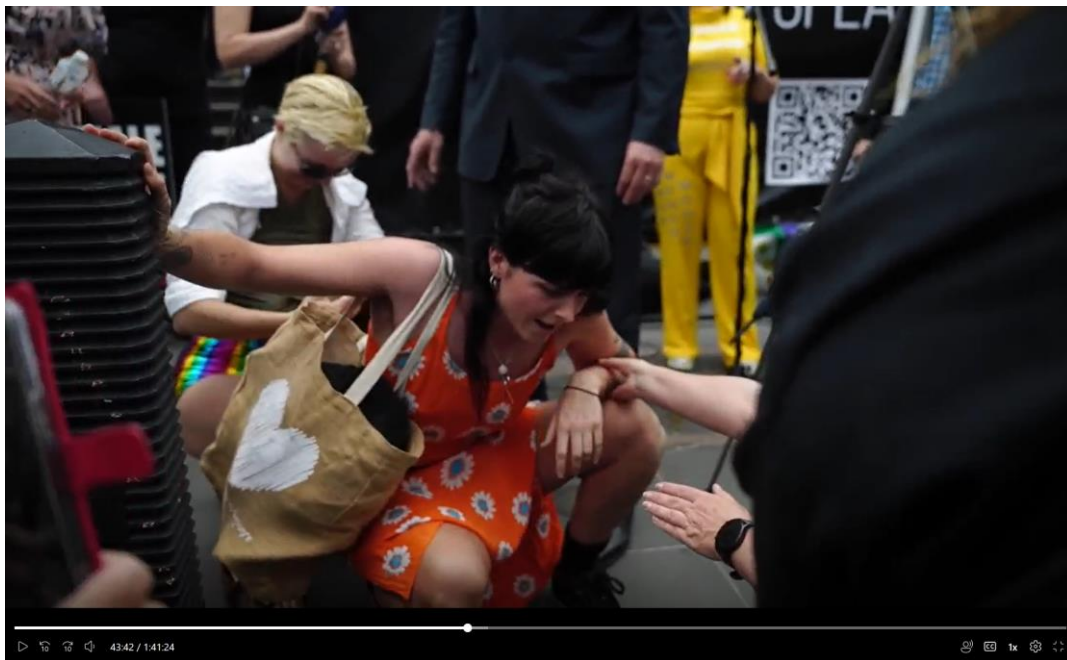

34. Upon the conclusion of the welcome to country, Ms Keen says the following:

We are gathered here today, before this brand new, new religion to refute it and refuse it. It's a quasi-religious dogmatic cult. And what we're going to say is the words you can no longer say, as you watch your schools indoctrinate your children, as you watch your hospitals mutilate children, as you watch every lesbian space disappear before your very eyes, as you are told the lies that lesbians can have penises. And we say this, no woman has a penis. No man has a vagina. Non-binary is absolute nonsense. And transitioning children is the most profound abuse! So, I want to say why we are here. And then the media, whatever lies they might want to tell, can understand why we are here. We are here, as women and men from all sides of the political isle and none, from all religions and none, to say that we will stand up for the truth and reality. And we don't need any political ideology to do that. We don't need to be on the far side of anything. But we will not lie, and we will not let you lie to our children. We know that what the media will do today, is it will talk about two sides. It will talk about two sides of this debate. Two aggressive sides battling against each other. And hopefully what normal Australians will see, is women trying to speak! And young men and young women who've been sold this lie, being desperate to try and stop up from speaking, we are your mothers, we are sometimes your grandmothers, your aunts, your educators, your sisters and your daughters, and we will be heard. So, in order to speak first, ah we don't have any preferential treatment. But if you don't have a vagina – bit like the Titanic – you're

right at the back of the queue. If at the end of this we've got room for men, then you will – if at the end of this, we've got room for men to speak, then I promise you, I will let you. But if you don't, it is women who can't describe what we are. It is pregnant women who go to hospital to be described as birthing persons. It is women in cancer literature described as people with cervixes. You testicular owners, you still get to be called men. You prostate checkers, you still get to be called men. It's not your language that's being destroyed and erased, it is ours. So, I will ask your forgiveness. Not really, I don't care. But I will say, unashamedly and unapologetically, I will put women first. And that is every woman.

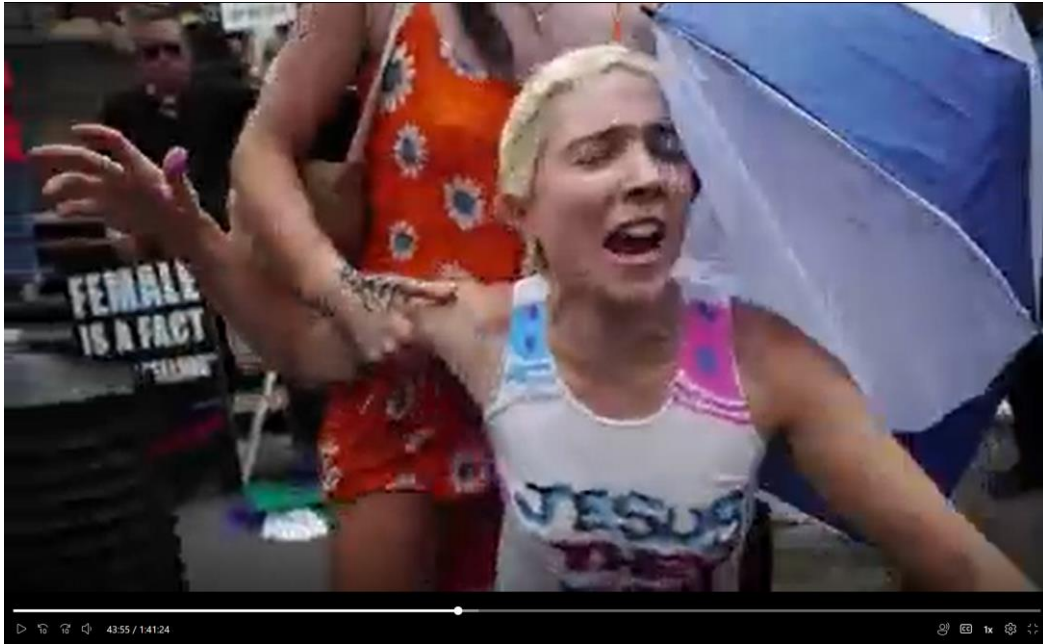

(Fernando HD Footage at 39.00-43.40; Keen Footage at 14.45-18.45)¹

35. At approximately **12.24pm**, two women approach the space immediately to the front and right of Ms Keen (**First Intruders**) and mimic a fake birthing using blue and pink paint. (Fernando HD Footage at 43.14-; Keen Footage at 18.50-19.40). The First Intruders are carried out of the Parliamentary Precinct by LWS Rally protesters, and they join the Bourke Street Protesters (Fernando HD Footage 44.00-44.40).

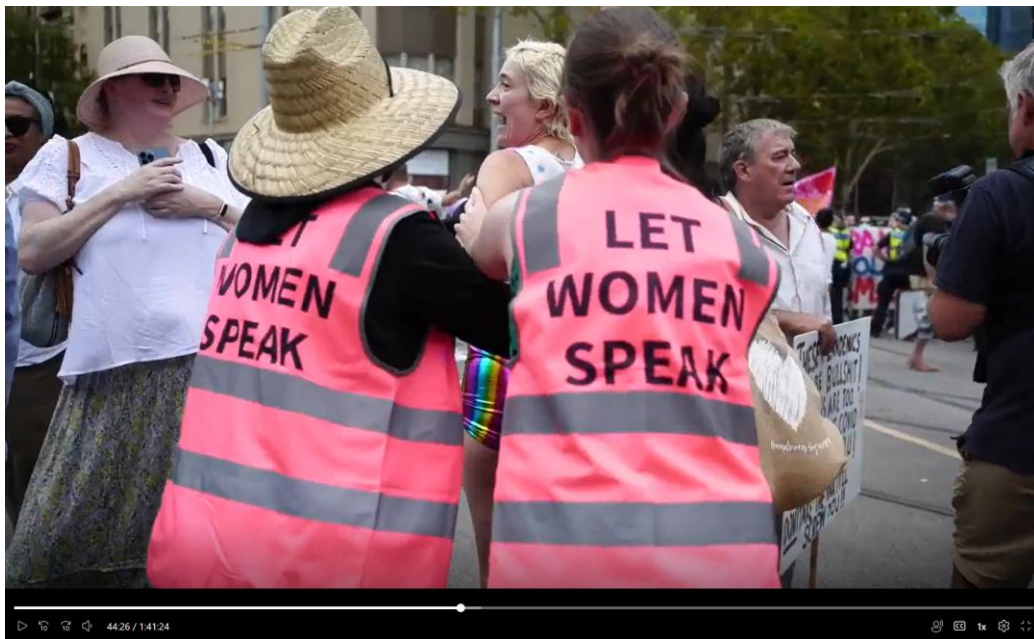

(Fernando HD Footage at 43.42)

¹ The audio in the Keen Footage cuts out between 15.14 and 17.28.

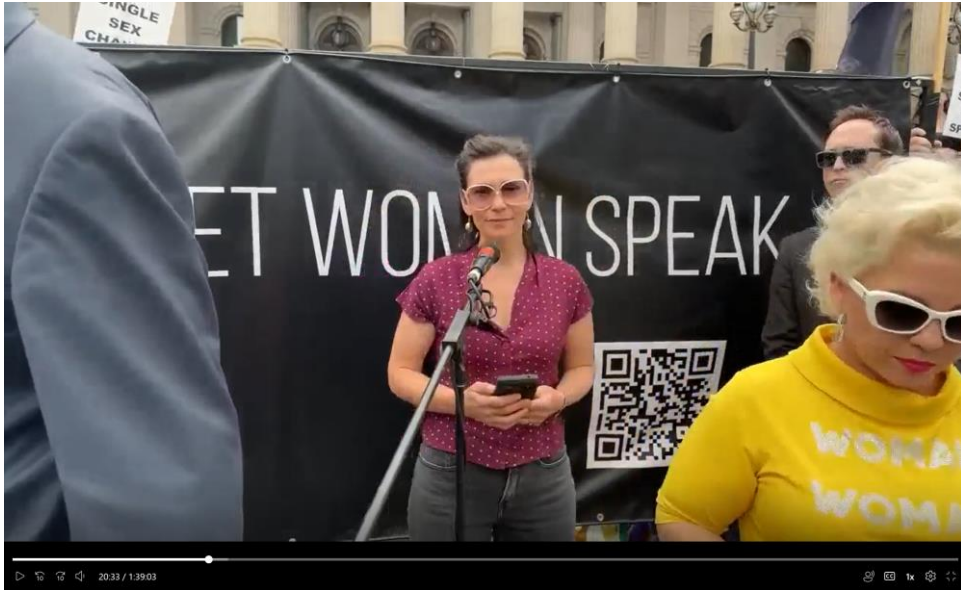

(Fernando HD Footage at 43.55)

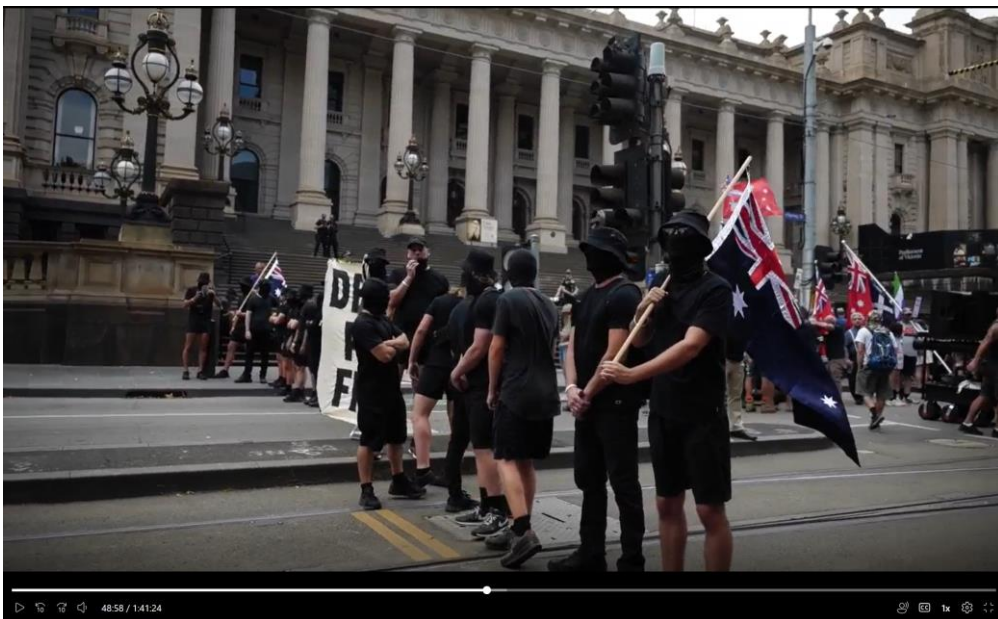

(Fernando HD Footage at 44.26)

36. At approximately **12.26pm**, the first speaker at the LWS Rally commences her speech (Fernando HD Footage at 45.11; Keen Footage at 20.30) and concludes at approximately **12.31pm** (Keen Footage at 25.00).

(Keen Footage at 20.33)

37. At approximately **12.29pm**, the Nazis are still standing in a line, displaying the Banner, facing the north of Spring Street (Fernando HD Footage at 48.50-50.28).

(Fernando HD Footage at 48.58)

38. At approximately **12.30pm**, two counter protesters – a woman and a man (**Unknown Man**) on the north end of Spring Street call out to Mr Fernando and the following exchange takes place

Unknown Man

Rukshan, what's the story with those Nazis, here?

Unknown woman *Video them talking – video them talking to the Nazi guys. Because they say Nazis aren't part of their movement, but there they all are, they're shaking hands. Film it.*

Unknown Man *There's a –*

Mr Fernando *Tell me man.*

Unknown Man *They're throwing – they're throwing Nazi salutes, they've been doing that for the last – how long have they been here, 45 minutes and hour – now they've moved closer to this rally here, right, and are fraternising with this rally. Nazis and you guys are all one package here today. That's what's happening.*

(Fernando HD Footage at 49.12-50.32).

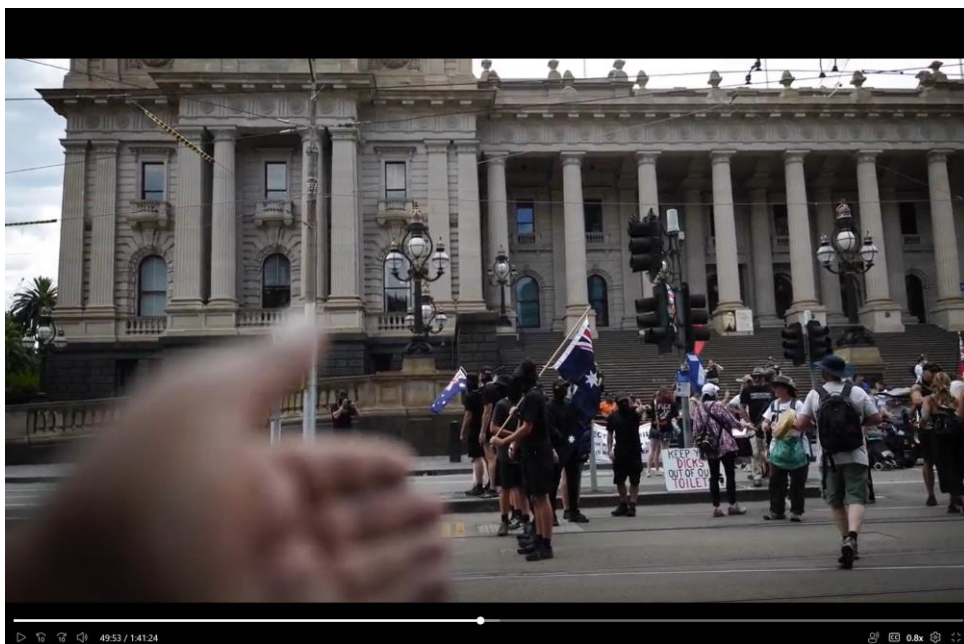

(Fernando HD Footage at 49.12)

(Fernando HD Footage at 49.12)

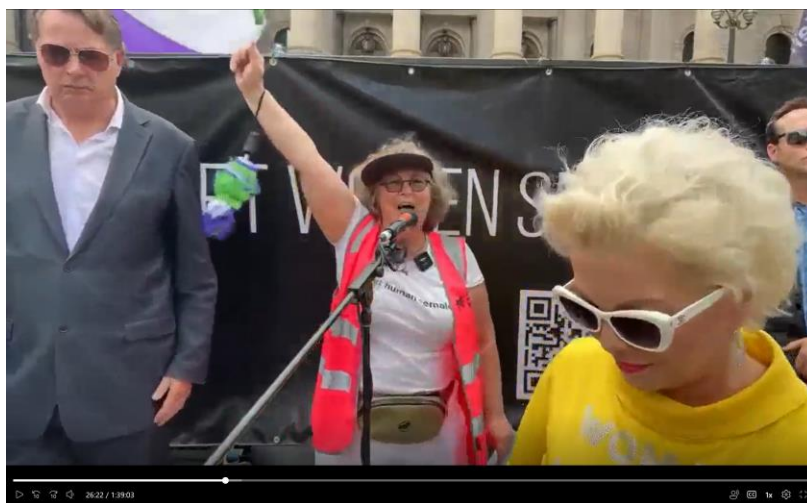

39. Mr Fernando, whilst recording the Nazis says: *“The gentleman is saying, that this group here are Nazis – that are starting in this line here – and they have come really close to this group and they are fraternising with people here at this other rally, for gender rights for women. So, they are saying that this group and that group are connected and they have Nazis in their ranks, that’s what that gentleman was saying if you couldn’t hear him.”*

(Fernando HD Footage at 49.50-50.11; Fernando Stream 48.45-49.07)

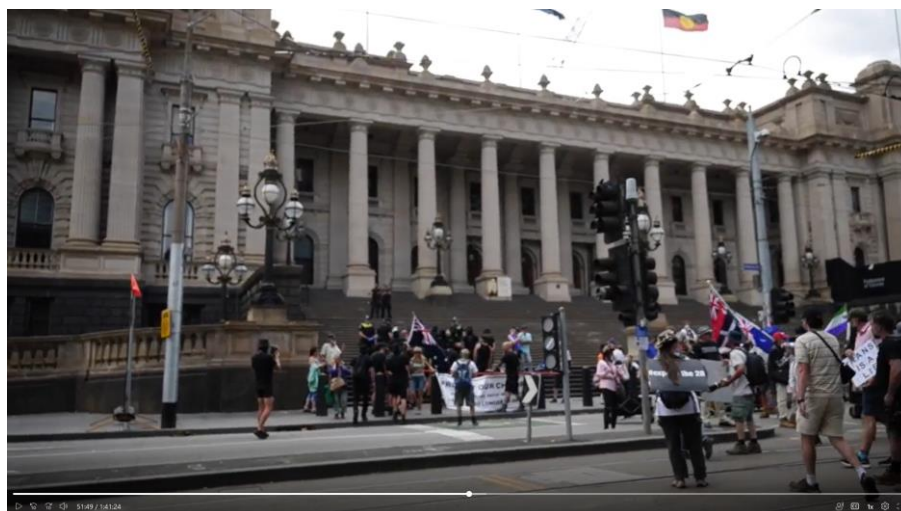

(Fernando HD Footage at 49.53)

40. Although Mr Fernando interpreted the Unknown Man to be saying that the Nazis had ‘come really close to’ and were ‘fraternising with’ the LWS group (who Mr Fernando refers to as ‘this other rally, for gender rights for women’), that is not what the Unknown Man had said. He had not specified who he was talking about, nor is it captured on camera. There is no footage of the Nazis interacting with the LWS group. It seems much more likely that the Nazis were interacting with the Freedom Protesters / PC Rally group than the LWS group.
41. At approximately **12.32pm**, a second speaker at the LWS Rally (**Second LWS Speaker**) commences her speech (Keen Footage at 26.22) and concludes at approximately **12.42pm** (Keen Footage at 37.43).

(Keen Footage at 26.22)

42. At approximately **12.33am**, the Nazis start to mount the steps of Parliament House.

(Fernando HD Footage at 51.49)

43. As they stand on the steps, two people in front of them display a banner that reads:

PROTECT OUR CHILDREN

STOP THE MORAL DECAY OF SOCIETY

SILENCE IS NO LONGER AN OPTION

(Fernando HD Footage at 52.07)

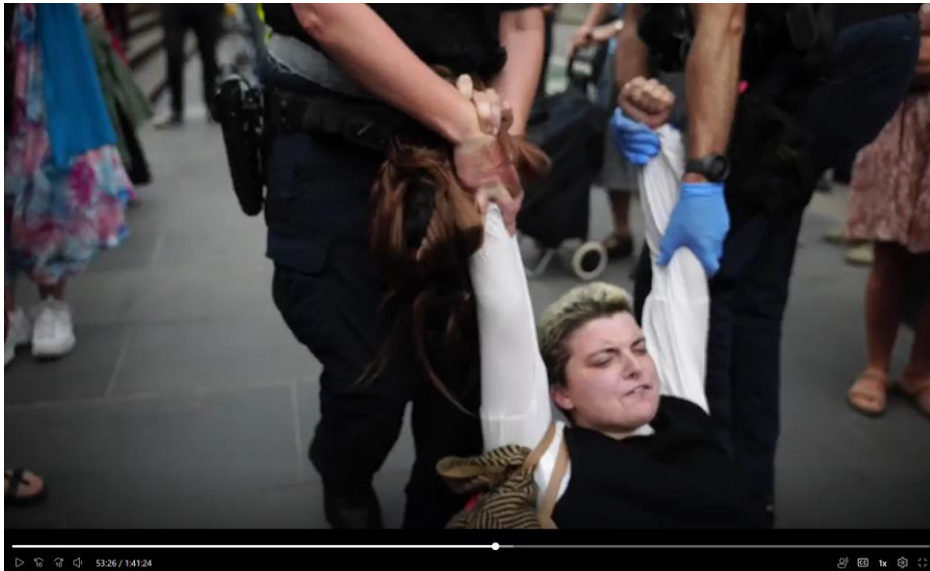

(Fernando HD Footage at 52.09)

44. At approximately **12.33pm**, a woman (**Second Intruder**) runs onto the LWS Rally stage, grabs the microphone and chants “*transphobes fuck off; trans rights now*” (**Second Intrusion**) (Keen Footage at 27.27-28.15; Fernando HD Footage at 52.50-53.34). LWS Rally security pull the Second Intruder away from the microphone and she is dragged away from the LWS Rally stage by police (Fernando HD Footage at 53.10-53.35).

(Keen Footage at 27.29)

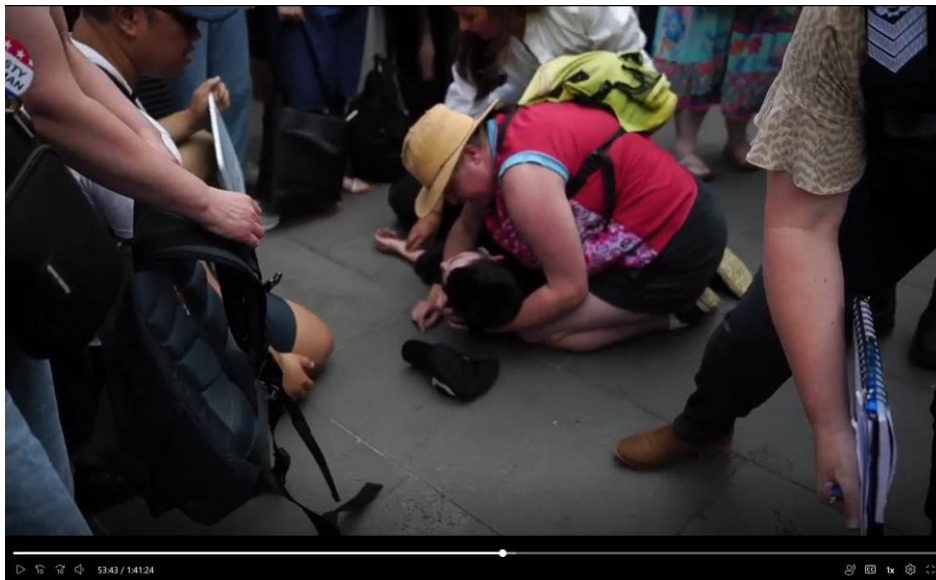

(Fernando HD Footage at 53.26)

45. During the course of the Second Intrusion (Keen Footage at 27.27-28.15; Fernando HD Footage at 52.50-53.34), a woman who was participating in the LWS Rally can be seen laying on the ground, apparently unconscious. An onlooker says to Mr Fernando “*she just fell down*” (Fernando HD Footage at 53.55).

(Fernando HD Footage at 53.15)

(Fernando HD Footage at 53.43)

46. At approximately **12.34pm**, Ms Keen, Mrs Deeming, and the Second LWS Speaker start to set up the audio equipment (Keen Footage at 28.30). Mrs Deeming can be heard saying to Ms Keen “*she kicked me in the legs repeatedly*” (Keen Footage at 28.42). The Second LWS Rally Speaker states that the microphone is broken, and a replacement is arranged (Keen Footage at 29.06). The Second LWS Rally Speaker says through the replacement microphone: “*Marshals, can you please come up the front, we need to create a barrier around this area right now. Marshals, please come forward. All marshals, come forward and create a barrier. Marshals, please make sure you identify who are the marshals so that no one else can infiltrate here.*” (Keen Footage at 29.53-30.26).

47. Mr Fernando gave evidence that at approximately **12.35pm**, he observed that the Freedom Protesters “*started to depart the area outside Parliament House*” and that “*they were walking southward down Spring Street along the tram tracks*” (CB:7:150 Fernando [53]).

48. At approximately **12.36pm**, Mr Sewell is standing on the footpath at the base of the steps of Parliament House on the north end of Spring Street, whilst the other Nazis are standing on the fifth or sixth row of the steps of Parliament House. Mr Sewell can be heard to be speaking through a megaphone - he says:

We are here to destroy the fools that are destroying our children. We are not here to conserve. We are revolutionaries. What that means is that, it is not good enough for the politicians to allow this to happen. It is not good enough for the schools to teach sodomy and globalism to our children. The reason why we are here is because it is not good enough what’s currently going on under our political solution. It is our belief, that a revolution is coming.

(Fernando HD Footage at 55.24-55.60)²

It is our belief that these communists, paedophiles and trannies have infiltrated every single institution of this country across the West. They are not just coming for your children, they are coming for everyone. They cannot breed. They have castrated themselves, chemically, psychologically and spiritually. We wish for the survival and preservation of our people. We are not here to have a conversation with these people. We are not here to make a compromise with these communists. We are not here to be nice and friendly. We are revolutionaries and we are here to destroy the sick and rotted society that has left us all out to dry.

[Chanting whilst performing the Nazi salute]

Mr Sewell: Blood and Honour.

Nazis on the steps: Blood and Honour.

Mr Sewell: Blood and Honour.

² At this point, Mr Fernando returns to the LWS Rally and records Ms Keen who was already speaking at the time – see paragraph 49.

Nazis on the steps: Blood and Honour.

Mr Sewell: White man.

Nazis on the steps: Fight back.

Mr Sewell: White man.

Nazis on the steps: Fight back.

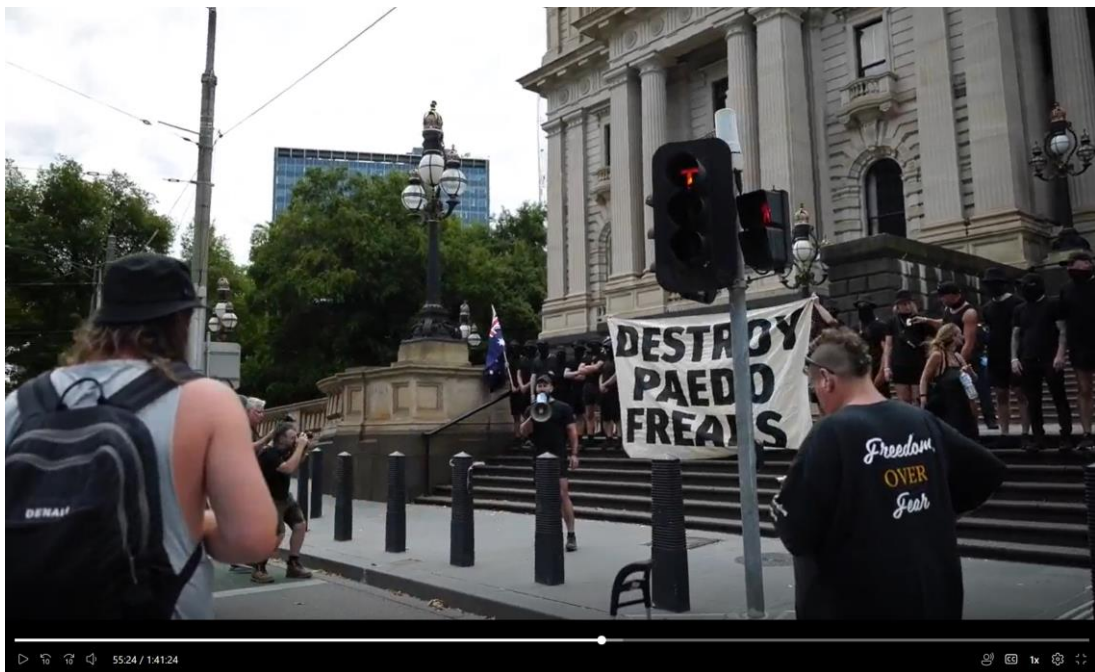

Mr Sewell: White man.

Nazis on the steps: Fight back.

Mr Sewell: Hail Victory.

Nazis on the steps: Hail Victory.

(Fernando HD Footage at 55.24)

(Fernando HD Footage at 55.47)

(Fernando HD Footage at 55.54)

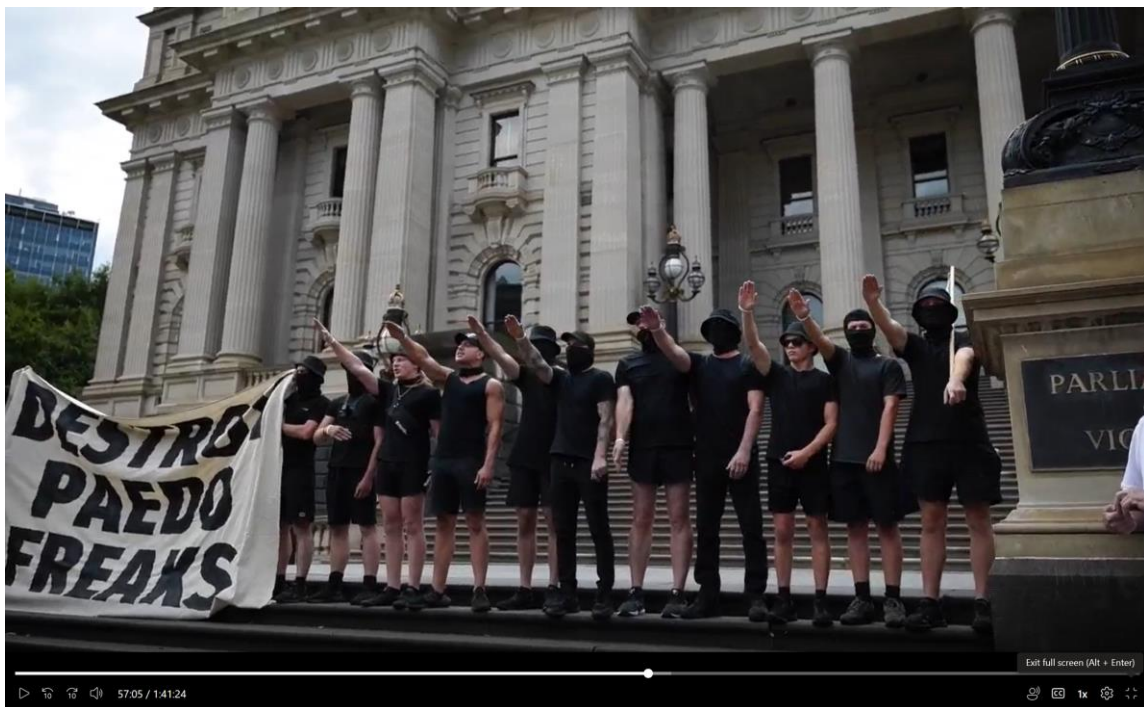

49. During the course of Mr Sewell's speech (from approximately 12.36pm to approximately 12.38pm), Ms Keen can be heard to be speaking concurrently about the Second Intrusion (Fernando Stream at 54.24-55.24). She says:

I'm just going to say that in twenty-twenty-three it is absolutely revolting, it should frighten everybody, that women talking about our rights and our spaces, cannot do

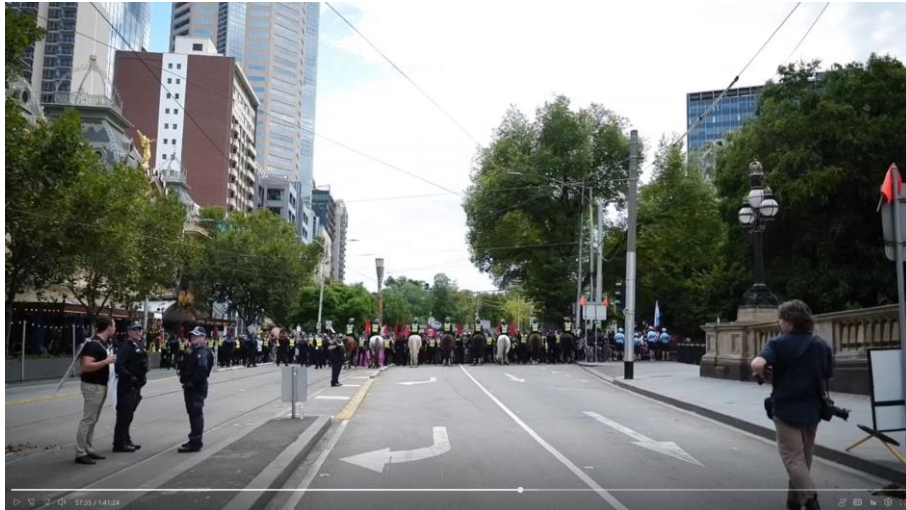

it safely. And they think they're on the right side of history. Every single politician that earns money in this building who said absolutely nothing about this, shame on you. You've got like small women, older women, middle-aged women, menopausal women, trying to protect our rights because these stupid young women have no idea what they give up. And can I just say to you young women, you hate us, but you will become us.

(Keen Footage 30.48-31.48; Fernando Stream at 54.24-55.24; Fernando HD Footage at 55.29-)

50. At approximately **12.38pm**, the Second LWS Rally Speaker recommences her speech (Keen Footage at 32.10). 53. Ms Deves says:

My name is Katherine Deves. I am a woman, I am a mother, I am a mother of daughters and I am a lawyer. I tried to run for Parliament last year and what they did was try to make an example of women like me, but I am still standing. I am not silenced, and I am stronger than ever. What happened last year, brought that issue to every household in Australia and while we maybe only number a few hundred here today can tell you right now, the majority of Australians, who are probably running their kids to sport and doing the chores and doing the groceries today, that they stand with us. And when we look at those children over there, who need a shower and to cut their hair and to get a job, I say to them, "I will not be silenced", and what we object to, it's not people who – a man wants to pop on a frock, knock

yourself out, Dave, that's fine, but what we object to is the framework, the legal framework, that is being imposed on us, by a craven legislature, by our institutions, our media and our organisations that take away women as a legally recognized category. We object to those laws, and we say to the people in power, who make the decisions, write the policy, write the laws "where are you? Why aren't you standing up for women and girls? Why are you allowing the state to intrude into families and tell parents its unlawful for them to protect their children? Why are we allowing lesbian spaces to be taken away? Why are we allowing gay spaces to be taken away?" This is a dystopian ideology, and we must all stand up and all of you here today who stand with Kellie and stand with all the women who are brave enough to speak, some whom have never spoken [sic] publicly, we say "thank you. This is a game changer. We are going to win this." And I will never, ever, back down.

Well, I'm glad Melbourne's media are here today, to watch the two sides, because whilst we're here just talking about the things that we want, the rights that we need to protect, they try to break through police lines. What are they going to do? What do they want to do us – do we – do they think we are going to be afraid? Many of us have pushed eight or nine pound babies through our vaginas. Some of you more crazy women would have refused any pain relief. I feel very religious even though I am a proper gold star atheist, but I do feel like saying "forgive them father for they know not what they do". These girls, let me tell you, girls, you cannot bend on your knee long enough to be

forgiven. You may be killed last, but they will kill you. You may save yourself a little bit of precious time, you are no different to women who augment their breasts and stick crap in their arse, you are no different to those women. You perform the patriarchy. The patriarchy you claim to stand against. In fact, a Kardashian is at least a little more honest.

Alright. My name's Moira Deeming I'm a newly elected MP in the Victorian Parliament. People told me that I only got elected because nobody knew what I thought, but I've doing this for fifteen years with my friends in the Greens party and the Labor party and every party conceivable. Today, I'm actually going to read a message from a Muslim friend of mine who was too afraid to be here because of behaviour like that. She has said that she came to Australia because she knew that in Australia human rights were advocated for strongly and she would have protection in Australia. She thought

that Australia was a paradise, especially for herself as a woman. And she thought that in Australia everybody, regardless of religion, ethnicity, sexual orientation any other belief of any other kind they've got to respect each other's beliefs and boundaries. And now she is devastated to find out that she has less rights in Australia than she did back home. She has said that boundaries are the emotional, mental and physical fences of every human that are erected in order to protect and maintain our psychological and physical needs, whether it be a human or an animal and if an animal can understand and respect boundaries, why can't they? She's seeking that the government will do their job and stand up for the rights that she was promised when she came to Australia lawfully and legally. And then she said, "if the LGBTQI can have their rights, that's fine, but why does it involve taking away everybody else's rights?" And she wants to say a big thank you to everybody out here today and especially Kellie-Jay. Thank you.

Okay, so we came here today to say, women don't have penis. No man has a vagina. There is no such thing as non-binary. And transing children is abuse. We broke the silence boys, you may think you win, you may think you intimidate us but we say each and every one of you: fuck off. We are absolutely sick and tired of it! Women have had enough. We raised teenagers, we don't need to be bothered by what you silly children say on the streets. So, to those people that came here today, if you can stand next to someone even though you know there is precious little with which you agree, except that women deserve human rights and our spaces and our dignity, then I promise we will win. If you can ignore those who repeatedly ask for your purity over and above your commitment to women's rights then I promise we will win. It's a little bit cringy but it kind of works. And you know why else we're going to win? Say it with me, very loud, because I never lose! Thank you to all the women who organised, thank you to the stewards, thank you to each and every one of you who felt brave enough to come here. Thank you to the morons opposite who brought the press. And thank you very much to the police for keeping women safe this afternoon. We know you didn't join the police force to stop blue haired morons attacking middle-aged women, but we appreciate it. Thank you very much.
