Subject: Re: Monday promo NB handle with extreme care

Hi Angus,

Just had a quick chat with Darryl about the promo clip (but unfortunately I wasn't much help to him).

Do you know when Sam is expecting the news.com clip? (Is it tonight or tomorrow morning?)

And secondly, I don't think we should send our socials clip across to the online team until tomorrow morning given this is such a sensitive story. What do you think?

And final question - is Lisa recording the VO at TEN or is it being fed through some other way?

Glad it all went well in Canberra yesterday too.

Cheers,
Laura
