Subject: Re: when to hit send

Hello again

Are we absolutely set on midday tomorrow to send these emails? Could we push for 2.30?

Either way I'll need to tell the talent and her partner first thing tomorrow morning so they're prepared for an onslaught of calls, emails and social media messages from Canberra. I'll once again check that she's away from devices at the right time and changes her notifications.

Plus Sam Maiden will need to know first thing too. Will I do that or does someone else need to?

cheers

Angus
