The moment an Assistant Federal Minister threatens to go through a journalist's **metadata**. Is that meant to be funny?

Jamie Briggs @briggsjamie 2d

It's a pity @1petermartin doesn't check facts, but at least he is consistent. Consistently wrong that is.

Bernard Keane @BernardKeane 2d

.@BriggsJamie attacks @1petermartin for not checking facts. I'm still waiting for advocates of slashing wages to advance any facts at all

Jamie Briggs @BriggsJamie

@BernardKeane @1petermartin oh Bernard you can do better than that, I'll check your metadata, I'm sure I'll find something better!!

Sorry, over 300,000 requests for **#metadata** are being made a year? How many are being approved? And who is arbitrating? **#qanda** @QandA
