Hi mate

Can you make this 23 sec [news.com.au](http://news.com.au) clip a Vimeo with a *different password* and also make it *downloadable*?

Then I can just forward on to Sam Maiden at [news.com.au](http://news.com.au)

Angus

No probs. That's brilliant.

I'm not sure what the deal with is with socials - I'll talk to Myles.

Thanks.

I'll let you sort out who exactly needs to see this ... let me know if there are any problems.

Also just confirming ... it's the same thing for our socials?

Thanks,

I don't know how long the clip would be for Maiden. What do you think Peter?  
Just this or do we need much more around it? Maiden's piece will make it pretty clear.

I'm sorry but I've got to fly and go to lunch now with my wife!
