Career summary

Richard is the Lead Partner of the Queensland Restructuring Services team of Deloitte and has over 28 years' professional experience at Deloitte including 20 years with our Restructuring Services team. Richard specialises in restructuring distressed companies – both as a formally appointed external administrator, but also as an informal advisor to boards, shareholders, lenders and other major stakeholders.

Richard is a chartered accountant, and a member of the FINSIA, ARITA, TMA and AICD organisations. He is also a registered liquidator. Richard is a committee member of TMA in Queensland.

Selection of project experiences

- Richard's work includes advising businesses on their operations, restructuring and improving performance. He is regularly called to negotiate on behalf of clients arrangements with their banks creditors, landlords and other stakeholders and is a safe harbour advisor.
- Richard led the teams that were awarded the National Small Business Turnaround of the Year both in 2015 and in 2018 from the Turnaround Management Association for their work with Withcott Seedlings and the Brisbane Broncos, respectively.

- Richard has also variously been receiver, administrator or liquidator of a number of companies. His major assignments have included Kleenmaid, Karen Millen, Riviera Marine, Bryan Byrt, Denmac Ford, Betta Electrical, Harts Australasia and Sam's Seafood.
