I also understand that from your perspective you've tried to do your best to handle this with sensitivity

I want to make clear to you - and I have asked Andrew this

I want to understand if you knew the meeting with Linda on the Monday that it was in the room the alleged rape occurred?

I also want to know if you ever checked that Brittany did receive EPA counselling? Or indeed if

counselling ? Or indeed if you arranged for extra sessions

I also need to be clear on Brittany's perception that if she went back to Gold Coast if she effectively would be sitting out the election ans there would be no guarantee of a job afterwards

They are the main three things. As discussed I'm going through Andrew and won't bother you again unless
You wish to speak to me

○ Hi Sam thanks for your sensitivity in trying to understand the whole picture. I will leave it with Andrew Carswell to respond.

No worries

○ I also wanted to check if you were on the star chamber after the election in 2019? But that's a minor matter
