Hey girl, it's Tiff! I just wanted to reach out to you and say how proud I am of you, for speaking out, for battling this over the last couple of years. You're so strong and not alone in what has happened, my heart hurts hearing the news and just wanted to say I love you. Beyond proud of your strength, truly inspiring and brave xx

Hey Sam,
thanks for checking in. I really appreciate it.
I'm currently bunkered down on the Gold Coast for the time being. Considering the circumstances I'm doing okay.
Cheers,
Britt

The police are good. We stressed our disturbance at the information flow between our 'closed file' case and the Minister's office.

It's above there pay grade. There isn't much they can do.

You really are talking to all women who have gone through that. You are resonating with young women especially and giving them permission to talk about these things

Hahahaha. That's the point I keep making.

I feel okay. I worked with Four Corners behind the scenes to help piece it all together.

I've been staying with Lisa W and Peter FitzSimmons in Sydney for the past few days. They've been so wonderful.
