Subject: two Lisa requests

Morning all

Lisa would like to have one or two "are you ok" grabs in there when B's is crying.

2:14:04.1 Lisa: Are you ok?

Also she's keen to add in that when Cash found out from Reynolds about B it was a breach of her privacy. If not legally then at least morally.

Three months after her remarks in the corridor Michaelia Cash found out about Brittany's alleged rape.

Brittany believes the information came direct from Linda Reynolds.

[add?] **No one asked Brittany if she was ok for her private information to be passed around.**

cheers

Angus
