Hi Chris

What's the kind of wording you'd put to link to this promo for socials? I'm not sure what Chris B is after.

Can you write back to us and then we can get Myles and Tasha to legal and approve please?

Chris wants the "Tonight the story of a promising young woman allegedly sexually assaulted inside Parliament House" bit to be in there.

cheers

Angus

Chris needs copy for the socials to go with the promo which they'd like out ASAP.

A federal government spokesman admits that the meeting between Brittany and Senator Reynolds should not have taken place in the office where the assault occurred. But he insists that the Defence Minister encouraged Brittany to speak to the police and guaranteed there would be no impact on her career.

We need to put in something else about others who have been given questions but - our deadline is 10am - so how do we cover that?
