PART I
OPENING

Parliament House, Canberra. At its official opening in 1988 the Queen described it as the "embodiment of the democratic principles of freedom, equality and justice."

Now one staffer is speaking out - claiming she was sexually assaulted [raped?] inside a ministerial office in that building.

And (as you'll hear?) her search for justice sounds more like a betrayal.

She's faced multiple obstacles in her search for justice.
