Session Number: 4

Other's Present:

Update:

- Going really well, both are in good space
- Incidents that happen now are only minor
- Did continue investing in each other

Session Content and Strategies Discussed:

- Some adjustments on earlier strategies
- How to handle stress of other person
- Strategies in being connected with family when away from work
- Evaluation until now: both are in a good place. They need to make a habit of doing what they've been doing over the last weeks, but do not need appointments with me to do that.

Homework:

- Make new things into a lifestyle

Future Tx Plans:

- No new sessions now. If in couple of months they struggle to make the new things a lifestyle they can come back.
